

HAY SHED HILL

MARGARET RIVER

SAUVIGNON BLANC SEMILLON 2022

GOLD MEDAL - Perth Royal Agricultural Society Wine Awards 2022

“Summer in a glass from the team at Hay Shed Hill in Western Australia, whose wines offer reliably good value across the board. This is a classic Margaret River white blend of 58% sauvignon blanc and 42% semillon that offers freshness and vibrancy with floral aromas and brisk, crisp tropical fruit and citrus flavours and a bright acid finish. It would be delightful with fish dishes, spicy Asian plates or simply as an after-work pick me up. Serve well chilled, drink while young and lively - and maybe buy a dozen to see you through the warmer months.

Winsor Dobbin - Gourmet on the Road

Vibrant, crunchy and loaded with fresh pure fruit characters. Pretty much all you want in a Margaret River blend. A splash of lemon juice and a little grassiness add to the palate. Excellent wine for drinking over the next few years.

Ray Jordan

92

Attractive florals and fresh, herby charm with citrus flavours that fire up the palate. Fine and long with lemony/saline freshness throughout.

Jane Faulkner | Halliday Wine Companion 2024
