HAY SHED HILL
MARGARET RIVER

From several different blocks within the home Wilyabrup vineyard. Aromas of fresh green sugar snap pea, nashi pear and white currant. The palate follows in this vein, with a plush buoyancy to the texture. Showing both restraint and generosity, there is a lot to like. It induces thoughts of dappled shade and warm breezes. The subtle tartness through the finish (no doubt due to earlier picking for that taut acid line) is holding it off an even higher score.
