

KERRIGAN + BERRY SHIRAZ

REVIEWS BY VINTAGE 2015 - 2014

VINTAGE 2016

95 POINTS | HALLIDAY WINE COMPANION 2019

Frankland River produces shiraz of extraordinary depth and flavour, this no exception. Leads with exuberant sweet fruit, a mix of spiced plums and black cherries bolstered by cherry wood and lead pencil fragrance, yet it is savoury. Full-bodied, the integrated oak adding a layer, the tannins firm yet ripe. This is still unfurling, and has a way to go yet. Jane Faulkner

...The wine's colour is top stuff, bright yet deep, the bouquet offering so much. You know for certain the palate will deliver black cherry + blackberry + liquorice + spice + pepper + cedar + superb tannins to underwrite its ever so long future.
