

# TRUE CHESAPEAKE OYSTER CO

From our beginnings as an oyster farm in Southern Maryland, to our latest evolution into a restaurant, our goal has always been the same: to offer an authentic and memorable experience to our families, neighbors and region, and to show respect to the traditions of the Chesapeake Bay watershed.

With this in mind, our mission is to serve the highest quality local products with an emphasis on the region's sustainably farmed oysters.

---

---
