

XLR Plus

The XLR Plus Power Chair is equipped with large 10" Drive Wheels. The self-adjusting Mid-Wheel Drive suspension system is matched with four independently suspended front and rear casters. This provides the added stability of having six points of contact with the ground. Equipped with a full independent suspension system, the XLR Plus provides a smooth driving experience for both indoor and most outdoor driving surfaces. The XLR Plus also has a flip forward seat for easy battery access to our Xtra Long Range battery options, and comfortably accommodates a 300 lb. weight capacity.

- + Xtra Long Range Battery Capacity*
- + Up To 21 Mile Range Per Charge*
- + 10" Mid-wheel Drive w/ Suspension System*
