SHIPPING

All turbo chargers sent will incur a \$99.00 inspection fee if customer does not proceed with rebuild or upgrade. Fee is waived if turbo is repaired or upgraded by us. If turbo is not in sound condition, it will not be reassembled by our staff. You will need to drain all fluids, put the turbocharger in a plastic bag, and send it along with this form in a sturdy box. Please use suitable packing materials to protect your turbocharger during shipment. We are not responsible for any shipping charges, lost, stolen or any shipping damages. It may take up to 4 business days once received your turbo to establish a repair quote. You will have 7 days to approve the repair. If you do not approve the repair, the turbocharger will be returned at your expense. All turbochargers left over 60 days will be sold to recover costs incurred.
