Bellini Collection

## Introducing Bellini —

Named after the classic cocktail, the Bellini range is an ode to European summers and evokes the feeling of languid days spent soaking up the Italian sun.

Designed by Melbourne duo Kate Stokes and Haslett Grounds of Coco Flip, Bellini is inspired by cocktails at golden hour and last swims as the sun dips below the horizon.

## Bellini Collection —

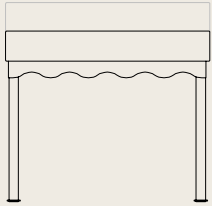

The collection offers a versatile range of bench seats, stools and low tables, all accented by an undulating trim reminiscent of beach-side awnings.

Powder-coated steel frames are paired with wide corduroy upholstery or solid timber tops, providing a nostalgic sense of luxury.

Proudly crafted in Melbourne, Bellini offers a curated selection of standard sizes and finishes, or complete customisation to suit a wide variety of residential and commercial applications.
