- operating a snap machine to build holster components
- utilizing a spray gun to apply glue to holster components
- special projects at the direction of the production manager
- cleaning and general light maintenance of facility/equipment

Job Requirements:

- experience operating power tools (drill press, band saw, tabletop buffer/grinder)
- willingness to be flexible (welcome to small business!)
- ability to communicate well with coworkers
- positive attitude & willingness to learn
- quality, accuracy & detail-focused
- physical ability to stand for long periods of time & lift up to 40lbs
- maintain a strong daily work pace in order to maximize team efforts
- consistently practice reliability and the willingness to assist others
- must be at least 18 years old
- must pass drug test for illegal drugs/alcohol
- must pass background check

Benefits:

- Paid holidays & vacations
- Super casual dress code
- Medical & dental benefits
- Ability to adjust your work schedule after 6 months
- FANTASTIC teammates & work environment
- Temperature controlled workspace

Safety Sensitive Position - Flashbang Holsters will not allow employees to perform their job duties while taking anything that adversely affects their ability to do so safely and effectively. Consequently, any employee who arrives for work impaired by any intoxicating substance will be subject to disciplinary action up to and including termination.
