

IRiS™ R2

LIFE

BEFORE YOUR EYES.

IRiS™ R2 by BLIZZARD LIGHTING is the result of an exclusive partnership with one of the world's largest manufacturers of LED video products. As a second-generation IRiS™ product, R2 features over 30 refinements and upgrades which further elevate performance and ease of use.

Featuring enhanced processing hardware and completely redesigned mechanics, IRiS™ R2 offers class-leading performance and reliability. Plus, with our IRiS™ cross-rental program and enhanced 2-year limited warranty, you'll never be short on panels.

IRiS™ R2

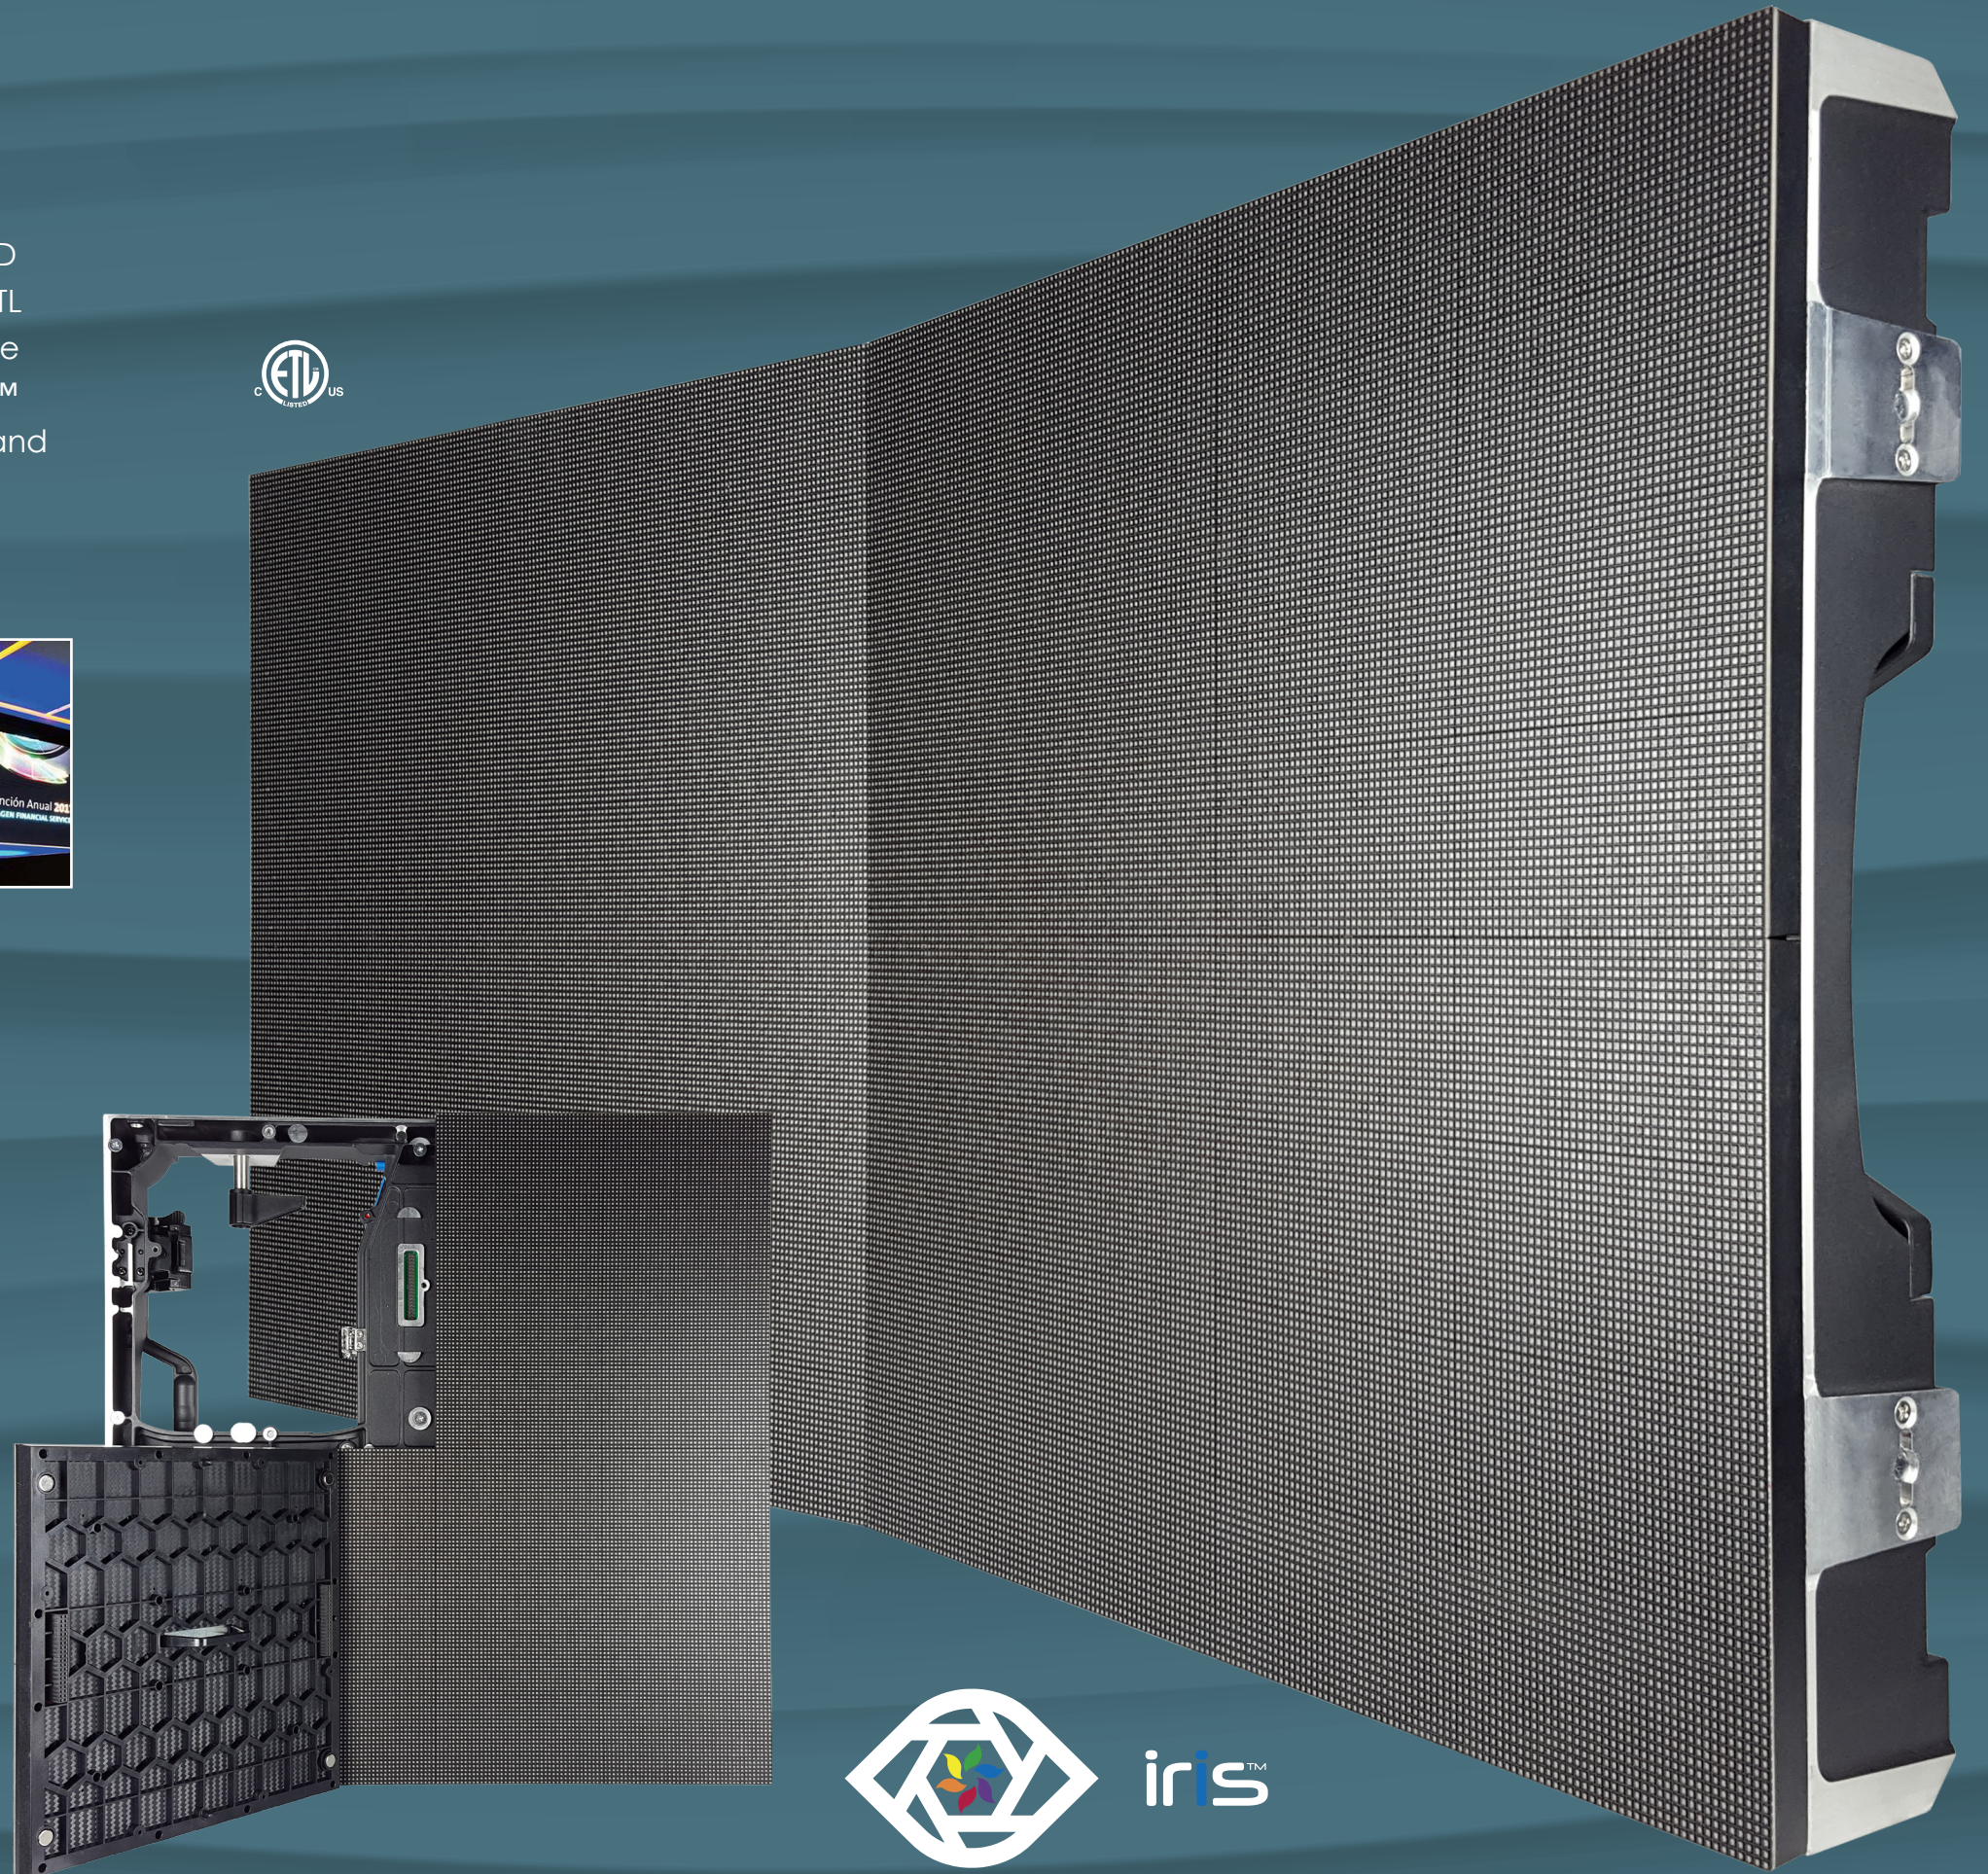

2.9mm Indoor LED Panel

Our flagship indoor video panel, IRiS™ R2 is a milestone in LED video technology. Beyond its 2.9mm pixel pitch, IRiS™ R2's ETL certification, exceptional brightness, contrast and refresh rate easily rank near the top of the list...on paper. In real life, IRiS™ R2 stands apart thanks to beautifully executed mechanics, and unparalleled video processing from NovaStar® Armor series receiving hardware.

Main Features

- Panel Dimensions: 500×500×100mm
- Pixel Pitch (mm): 2.9
- LED Type: Blackface SMD 2020
- Pixel Per Panel: 168×168
- Curvature: 10° concave, 5° convex maximum
- Brightness (cd/m2): 1200
- Refresh Rate (Hz): 3840
- Panel Material: CNC + Cast Aluminum
- Modules Per Panel: 4
- Module Dimensions: 250×250mm
- Viewing Angle (H/V) (°): 150/140
- Send/Receive: NovaStar® Enhanced (Armor Series)
- Power: Neutrik® powerCON® in/out
- Data: Neutrik® etherCON® in/out
- IP Rating (Front/Rear): IP40/IP21
- Certificate: cETLus | FCC | CE | RoHS
