

## **SAFETY INSTRUCTIONS:**

- Stage rigging should always be performed by a sufficiently competent person.
- Always inspect your Klamp™ before using and remove from service immediately if the device is damaged in any way.
- Always use a secondary safety device to secure a load suspended from your Klamp™.
- Adhere to all local and federal safety regulations when using your Klamp™.
- Maintain an acceptable safety margin when determining the load on your Klamp™.

**PROOF TESTING DOCUMENTS ARE AVAILABLE AT  
BLIZZARDPRO.COM.**

## **WARANTY:**

Blizzard Klamp™ products are backed by Blizzard's **limited lifetime warranty**.

Our limited lifetime warranty guarantees repair or replacement when product failure is due to defects in material or workmanship, and when it is used in the correct manner. Warranty is invalid if WLL is exceeded or the clamp has been physically damaged due to mistreatment (such as overtightening).

This limited warranty is valid only for the original purchaser, is not transferable and is only applicable to products sold within the United States. For products purchased outside United States, please consult the local Blizzard Lighting authorized distributor as warranty policies vary outside the United States.
