

ROKBOX™

The RokBox™ - High Power RGBW Color Wash Fixture

The box... one of the most useful, time tested, and attractive 3-dimensional shapes ever created is once again new and improved!

With the addition of 18x 10-watt RGBW quad color 4-in-1 LEDs, advanced electronics, and dual hanging brackets with secure grip locking knobs, the RokBox™ is sure to be a great addition to your lighting rig!

It features 3/4/5/8 or 9 DMX channel modes, which means it works great with any type of controller, including popular 3-channel controllers. You'll have full control of all that RokBox™ has to offer such as RGBW color mixing, 31 built-in programs, ultra smooth flicker-free 32-bit dimming, and even easy HSV color mixing ability in 3-channel mode.

The super-easy to use built-in 4-button LED control panel also allows total control over the fixture including master/slave settings, sound active mode, built-in programs, auto mode, custom RGBW color mixing, and user adjustable fade/strobe effects for a totally rocking light show!

It also comes equipped with industry standard powerCON® compatible power input/output connections & 3-pin DMX connections which are all strategically placed on the back of the unit in a way that allows you to use the RokBox™ in ANY position, including flat on the floor. This makes the RokBox™ a perfect solution for any of your uplighting and/or truss warming needs!

Check out the RokBox™ today. It's hip to be square!

Control Features
