

Mind-Warping 3D Cube

3D Cube Effect Panel

Squarodox™ 3D is an LED effect panel that can display dazzling 3D light shows with its variety of built-in programs, sound active mode, or make your own pixel mapped video. It features a killer 3D cube layout, and multiple fixtures can be linked together to make creative shapes, or a large wall of light.

And of course, Squarodox™ 3D is backed by Blizzard's 2-year limited warranty!

Main Features
