Dear Nick,

Thank you for Common Practice LLC's generous contribution of \$10,500 to the ACLU Foundation, received on December 31, 2018, in connection with the "All Rise" social impact campaign. This gift from sales of The Equality Pin represents Common Practice's incredible commitment to women's rights.

We are thrilled to have Common Practice stand with the ACLU at this pivotal moment. We are particularly inspired by Dissent Pin's commitments to women's empowerment and reproductive rights, and LGBT rights.

The work ahead of us will be difficult. We're facing aggressive and, in some cases, unprecedented challenges across a sweeping range of issues — from immigrants' rights to reproductive freedom, racial justice, voting rights, national security, and more.

We will continue to keep you updated on our progress in the weeks and months ahead. Please reach out to us at any time with your questions or concerns.

Thank you for your unyielding commitment to protecting the rights and liberties of every person in this country.

Sincerely,

Cc: Danielle Silber
