Dear Planned Parenthood Supporter:

On behalf of the millions of women, men, and young people who count on Planned Parenthood health centers to be there for them, please accept our heartfelt thanks for showing your support for Planned Parenthood at this time of great need with your generous gift of \$3,089.52, which was received on December 31, 2018.

By acting on your convictions, you've added strength and energy to the broad network of generous supporters who make so much of our work possible.

In fact, it's the support we get from people like you that protects access to care at Planned Parenthood health centers and ensures that people get the health care they need, despite increased attacks on reproductive health and rights.

The Trump-Pence administration and individual states continue to do everything in their power to take away protections that help women control their lives, health, and futures, including access to affordable birth control, medically accurate sex education, and safe, legal abortion.

As we take on these challenges, it's good to know we have friends like you standing with us. We hope you will continue to support Planned Parenthood as we assert our firm belief that access to reproductive care – like any other aspect of health care – is a fundamental human right.

In gratitude,

Leana Wen, M.D.
Planned Parenthood Federation of America

P.S. Please be aware that your contribution is tax deductible to the fullest extent allowable under the law. IRS regulations require us to state that Planned Parenthood Federation of America did not provide any goods or services in consideration of this contribution. Please retain this letter for tax purposes. And thank you again for standing with Planned Parenthood.
