## State Incarceration Data Coverage Report

## Government Licenses - Watch/Monitoring Functionality

This report provides key coverage details about our nationwide incarceration data network. These coverage numbers are for "watch" (monitoring) instances for Government License customers utilizing Equifax Workforce Solutions (EWS) Incarceration Intelligence products.

## Column Definitions

| Column Name | Definition |
| :--- | :--- |
| State | 2-letter state abbreviation |
| County Name | Full county or parish name |
| 2020 U.S. Census Population | Total number of persons living in the county or parish as <br> of 2020 |
| Coverage | Whether or not we are receiving new booking data from <br> the most important incarceration facilities in that <br> particular jurisdiction |
| Charge Coverage | Whether or not we receive the charge data (e.g., "Driving <br> While Under the Influence") for new bookings in the <br> jurisdiction |

## Use Permissions

This document is permitted for use only by direct EWS partners. Sharing this document with current customers, prospective customers, vendors, or partners is prohibited. If a prospective customer has a question about coverage in a specific jurisdiction, you may consult this document to provide an appropriate answer. However, sharing this document in part or in full outside of your organization is not allowed.

## Questions

If you have questions about our incarceration data, please reach out to your partner success manager. You can find their contact information on the home page of the EWS TotalVerify Partner Center.
