HELLO FROM KANDILA CO.

Kandila Co. is a Melbourne-based candle company that gives back to the community. We do this by donating 50% of our profits to organisations that provide education to children in developing nations.

CANDLES THAT GIVE BACK

NATURAL

Our candles are made from natural, vegan and Australian-made waxes, fragrance oil and lead-free, natural fibre wicks.

SOCIAL IMPACT

We donate 50% of our profits to charities that provide education to disadvantaged kids in developing nations.

HAND-CRAFTED IN AUSTRALIA

Our hand-poured candles are made in small batches at a time. The candles that you'll receive have been made, prepared and packed by the same pair of hands.

MEET OUR CHANDLER & FOUNDER

HELLO, I'M JANICE

My husband and I are first generation immigrants from the Philippines. Although we've called Australia home for more than a decade, we constantly find ourselves thinking about our less fortunate countrymen and the quality of lives that they live. Knowing that lack of access to education is one of the root causes for the endless cycle of poverty and marginalisation not just in the Philippines but also in all developing nations, we are determined to contribute and help fight poverty at its core and so Kandila Co. was born.

GLASS COLLECTION

Our glass collection uses natural, vegan and Australian-made waxes, fragrance oil and lead-free, natural fibre wicks. Each candle has been carefully hand-poured into handmade, reusable, food-grade borosilicate glass and carefully packed by the same pair of hands.
