ONE SHOE,
MANY TALENTS

LOGOYOUR BiiON

LOGOYOUR BiiON was launched in response to an avalanche of interest in BiiON footwear for corporate market applications. We immediately saw the benefit for the corporate customer who is looking for an original, functional, useable promotional product to boost their brand and start conversations.

A great offering for the promotional product market. Looking for a niche product that delivers immediate client satisfaction. The BiiON style and colors are attention grabbers where ever they go, which is the best news for your corporate client. A simple, astounding multi-purpose shoe with "talkability".

Need to add more? BiiONS can be decorated with pad and digital printing. You can also use our own acrylic dome Logo program. Looking to create a unique BiiON? Special colors? Special prints? Special idea? We do that too.

When you LOGOYOUR BiiON you are giving a superior promotional product with a huge value add for corporate clients wanting to stand out and start a conversation

*TASTEMAKERS
TRAILBLAZERS
TRENDSETTERS
INFLUENCERS*

Those brave enough to break away from the norm. Those bold enough to play by their own rules. These are the people who created Biion Footwear, and these are the people Biion Footwear was created for. In a world of vanilla, we are anything but. When you – the tastemaker, the trailblazer, the trendsetter, the influencer try on a Biion for the first time, you will instantly realize that there is nothing like it.

*FOR
ORGANIZATIONS
WHO WANT TO
SHOW THEIR
COLORS....*

*BIION'S STEALS
THE SHOW,
FULL STOP*

We've been watching, and with little exception eyes go straight to the shoes. The mix of flair and class is a visual feast that refuses to go unnoticed. Whether giving an organization a uniform, premium, professional touch, or simply looking to spread their identity,

***PUT ON A BIION
AND WATCH
WHAT HAPPENS***

SOME THINGS WILL NEVER GET OLD.

MEET THE CLASSICS.

Iconic Oxford silhouettes. Never-before seen color combos. This lineup is all about having one foot planted firmly in the past, and the other taking one giant leap forward. A fresh approach to a classic tradition.

PUT YOUR CLIENT'S BEST FOOT FORWARD.

CLASSICS

*NOTHING FITS
LIKE BIION.*

The ultralight, ultraflexible material that composes each Biion Shoe keeps you light on your feet, while EVA's nano-molecular smoothness provides a consistently comfortable fit

*NOTHING
FORMS
LIKE BIION.*

The natural characteristics of EVA make it great for footwear because it molds to your foot, whether you choose to wear socks or not! It's also incredibly shock absorbent, machine-washable, odor-resistant, and anti-micro-bacterial.

MEET THE WINGTIPS.

Derived from the Old Irish Bróg, this is the classic Oxford silhouette, redesigned in a color spectrum that you will not find anywhere else.

WINGTIPS

NOTHING GRIPS LIKE BIION.

Biion's outsole with Hextra-grip Technology provides maximum strength and flexibility, giving you top-notch traction on any terrain.

Why the hexagon shape? Just ask any engineer... or honeybee. A hexagonal cell can support 25 times its own weight, which is why it's the building block commonly used in the construction of airplane wings and, of course, honeycombs
