INTRODUCTION

Dipper was designed to be user-friendly in every aspect. Take your vaping experience to the next level with the portable Dipper dry herb and wax vaporizer.

Your vaporizer comes mostly assembled in its box. Be sure to fully charge the battery before initial use for optimal battery life.

IN THE BOX

- Dipper Vaporizer
- Loading Tool
- User Manual
- Micro-USB Cable
- Cleaning Swab
- 2 Vapor Tip Atomizers (Ceramic Tip with Ni coil)
- 1 Quartz Crystal Atomizer (Dual Quartz Rods and Ti Coils)

LEARNING ABOUT YOUR D!PPER

POWER ON/OFF

Five Clicks Safety Feature

Power On: Press the button 5 times quickly.
Power Off: Press the button 5 times quickly.

The indicator light will flash blue, green, red.

The indicator light will go out, and the device will stop heating when the button is pressed for more than 15 seconds.

TEMPERATURE SETTING

Three Clicks
Variable Heat

TO CHANGE THE TEMPERATURE SETTING,
CLICK THE BUTTON 3 TIMES QUICKLY.

Blue indicates low heat.

Green indicates medium heat.

Red indicates high heat.

USING THE VAPOR TIP ATOMIZER

- 1 Remove mouthpiece/cap, connect the vapor tip to the Dipper body.
- 2 Connect the mouthpiece/cap to the opposite end.
- 3 Click the button 5 times quickly to turn your Dipper on.
- 4 Press and hold the button. Wait for the vapor tip to heat. While holding the button, lightly touch the vapor tip to your favorite concentrate and inhale through the mouthpiece.

USING THE QUARTZ CRYSTAL ATOMIZER

- 1 Remove the mouthpiece/cap, connect the quartz crystal atomizer to the Dipper body.
- 2 Prepare wax/concentrates and load it directly into the heating chamber (atomizer). Ensure direct contact is avoided between loading tool and heating element.
- 3 Reattach the mouthpiece/cap to the Dipper body over the atomizer. Ensure chamber is not overloaded as this can cause the product to fail and will not be covered under warranty.
- 4 Press the button 5 times quickly to turn the unit on. Press and hold the button while slowly inhaling through the mouthpiece. Continue to press and hold the button down for up to 15 seconds.

CLEANING

1. Remove mouthpiece/cap.
2. Remove your vapor tip or quartz crystal atomizer to open the reclaim chamber.
3. Soak the tip/atomizer in isopropyl alcohol to remove any residue, then rinse thoroughly with warm water and allow to dry.
4. Remove the reclaim chamber.
5. Dip the cleaning swab in isopropyl alcohol to aide in removing residue from the reclaim chamber, interior airway, and mouthpiece.
6. When residue has been cleaned from the interior you can reassemble your Dipper.

The Dipper is designed with ease of cleaning in mind.

CHARGING

Plug the micro USB cable into the USB port to begin charging.

The LED indicator will stay **RED** while the Dipper is charging.

The LED indicator will turn **GREEN** when the Dipper is fully charged.

Remove the micro USB cable before using the Dipper.

DO NOT VAPE WHILE CHARGING.

SAFETY

Read the following safety recommendations before using the Dipper.
Please keep this user guide in a safe place for future reference.

1. The vapor tip and crystal quartz atomizers on the Dipper get HOT! Do not touch it while using the product or for at least three minutes after use. Do not clean until the Dipper cools down.
2. Do not use the Dipper while charging the unit.
3. Only use this vaporizer with safe, natural extracts.
4. Never touch the vapor-tip atomizer to anything other than concentrate, especially individuals and flammable surfaces!
5. When using the quartz crystal atomizer, always keep the Dipper upright to avoid hot concentrate getting on user.
6. Improper use, changes, or modifications of the Dipper voids the warranty and could cause damage or physical harm.

WARRANTY

Register your Dipper at dipstickvapes.com/register in order to activate your warranty!

With registration, Dipper includes a 1-year limited manufacturer warranty from purchase date against defects in craftsmanship on the body and wiring of the product. This warranty does not cover the vapor tip or crystal quartz atomizer as they are consumable products and readily available for purchase.

An original dated purchase receipt is required for any warranty claims.

For warranty issues, please contact Dipstick Vapes directly at: Support@dipstickvapes.com or Call **844-922-VAPE (8273)**.

The customer shall notify the company in writing of any defects in the product. Dipstick Vapes has sole discretion under the foregoing warranty to repair or replace any defective unit as deemed fit.

Repair of this device should only be done by Dipstick Vapes.

Failure to comply with any of the warranty guidelines will release Dipstick Vapes from any and all liabilities.

Only use original accessories and spare parts made by Dipstick Vapes for the Dipper vaporizer.
