

Size Guide

Tanlines

What's your size? Let's figure this out so you don't flash anyone. We use the universal sizing of XS – L. Here's how they correspond to different regions' conversions:

Size	XS	S	M	L
OZ	6	8	10	12
UK	6	8	10	12
USA	2	4	6	8
EURO	34	36	38	40

HERE'S HOW TO MEASURE YOURSELF: For your bust, take the tape measure to the fullest part of your bust, and straight across your shoulder blades at your back. For your waist, go for the smallest part of your torso. This is your natural waistline. And on your hips, take the tape measure to the fullest part of your low hip. The tape needs to sit straight across your bum. Oh and here's another table (because everybody loves tables):

	XS	S	M	L
BUST (cm)	79	84	89	94
WAIST (cm)	60	65	70	75
HIPS (cm)	90	95	100	105

Please note that sizes may vary depending on the specific style and fit of each design. If you're unsure or concerned about which size to get please email info@nomadscove.com.au and we will help you find the perfect style that best suits your body shape.
