

Overview

Our range of high quality cleaning, rinsing and polishing products will enable your kitchen staff to work quickly and productively, while improving hygiene standards still further.

Our latest spray units are designed to improve the efficiency of dishwashers; our wall, ceiling and floor mounted hose reels are ideal for all kitchen wash-up areas, while the Pot Boy cleaning system provides an extremely effective method of removing encrusted or burnt deposits from pans, cookware and ovens.

In addition, the IMC A4 Burnisher is a quick, simple and safe method of bringing the shine and sparkle back to silverware, helping to extend the life of silver cutlery and other silver table items.

Electrical Connection

All electrical work must be carried out by a qualified electrician in accordance with the IEE Codes of Practice.
