

NPDPF6**DOUBLE PEDESTAL
ELECTRIC FRYER**

The NPDPF6 is a powerful and reliable addition to the modern professional kitchen. Easily capable of coping with most commercial applications, the Parry double pedestal fryer provides the power and versatility you would expect from a freestanding deep fryer. Featuring dual 9 litre tanks, adjustable thermostatic control, hinged front access panel and stainless steel construction, the Parry NPDPF6 excels at being easy to use, clean and maintain.

BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.

info.parry.co.uk/the-parry-warranty

And with spares in-house, too, we're able to provide a complete after-sales service, combining exceptional value and speedy delivery. As a result, you have a direct link to our factory floor, which means you'll bid a permanent farewell to supply chain hassle.
