

QLD2

TWO LAMP ELECTRIC QUARTZ LAMP DISPLAY UNIT

At over a metre wide, the Parry QLD2 quartz lamp electric food warmer has more than enough space for the attractive presentation and storage of ready-to-serve food. Feature two powerful 500W quartz bulbs and a heated base unit, the electric food warmer ensures that enough heat is produced to maintain safe food temperatures. Made from stainless steel and with a removable sneeze guard, the whole unit is easy to clean and maintain. Perfect for use in carveries and other self-service outlets.

BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.

info.parry.co.uk/the-parry-warranty

And with spares in-house, too, we're able to provide a complete after-sales service, combining exceptional value and speedy delivery. As a result, you have a direct link to our factory floor, which means you'll bid a permanent farewell to supply chain hassle.
