

Quartz Grill

The BAR2000

This compact yet powerful snacking grill is perfect for toasting, grilling and re-heating sandwiches and snacks of all kinds, including Pizza, Croque-Monsieur, Quiches and toasts. Heating from top and bottom the BAR2000 is a high speed toaster or it can be used as a traditional salamander by just using the top elements. With a heat up time of 30 seconds the BAR2000 is an efficient cooking platform and the radiant infrared technology keeps smoke and odours to a minimum making the BAR2000 ideal for front of house use.

Features:

15 Minute timer with constant override
