

Convection Oven

The FC280

The FC280 convection oven will prove invaluable to the small snack bar and coffee shop. It brings the performance of our larger ovens to the location where space is limited. The oven will perfectly cook or reheat pastries and savouries with its fan assisted operation and the armoured heating element ensures a quick temperature heat up (up to +250 Celsius in 7 minutes).

Features 2 hour timer 250'C thermostat power on light. Supplied with 3 shelves(2 wire racks and 1 baking tray).
