

Salad dryer ES-200

CAPACITY PER CYCLE: 12 KG. / 26 LBS.

Fast, sleek, user-friendly, safe, smooth running salad spinner designed to efficiently dry up to 12 Kg. / 26 lbs. of salad per cycle at a maximum speed of 900rpm.

- Stainless steel construction.
 - Lightweight and removable stainless steel basket.
 - Compact geometry: easily fits under conventional standard countertops.
 - Equipped with castors allowing operator to wheel unit around kitchen and under a countertop for easy storage.
 - Transparent, heavy duty lid for ease of control.
 - Lid self opening mechanism, for ease of access to basket.
 - User-friendly, waterproof control panel.
- Advanced features:
- Electronic timer with 3 fix cycles.
 - 2 speeds, up to 900 rpm for optimum drying.
 - Equipped with powerful three-phase motors controlled by highly reliable electronic speed variator, which enables the salad dryer to be connected to a single-phase electrical mains supply.
- Safety features:
- Weight distribution detection system (VCS) to prevent undesirable rattling of the unit.
 - Self lock-in mechanism to ensure basket is properly locked in before cycle starts.

- DEFAULT EQUIPMENT**
- Castors with brake.
 - Stainless steel drying basket.
 - Cord and pluge.
