## Whirlpool Omnia 6th Sense Washers

### ECONOMICAL

The Omnia range is the best priced laundry range available with a commercial warranty.

### EFFICIENT

All machines use state-of-the-art 6th Sense Technology™ to minimise energy consumption. Only the Omnia range can wash and dry 10kg of laundry for 40p.

### COMFORT

The Omnia range utilises Zen Technology™ to reduce operational noise to a mere whisper.

### EASY INSTALLATION

The entire Omnia range will plug in to 13amp sockets and plumb in to standard services, no special connections are required.

### STACKABLE

The Omnia dryers can safely stack on to either of the washing machines using the optional stacking kit, saving much needed space.
