

HOSHIZAKI

Snowflake SBU40HT

Blast chiller / freezer

Chill capacity	42kg from +90°C to +3°C in 90 min
Freeze capacity	25kg from +90°C to -18°C in 240 min
Outside Dimensions H x D x W	1850 x 830 x 800 mm
Inside Dimensions H x D x W	780 x 700 x 650 mm
Number of GN pans	10
Interior / Exterior	Stainless steel AISI 304
Climate Class / Max room temperature	4 / 32 °C
Gross/Net weight	225/200 kg
Connection	400V, 3N-/50Hz item no. 965780040 230V, 1N-/50Hz item no. 965780041 *
Connection load	3200 Watt
Refrigerant / CO2e	R452A, 2 Kg / CO2e 4282 kg
Insulation	75 mm
Energy consumption for chilling [kWh/kg]	0,137
Energy consumption for freezing [kWh/kg]	0,413

* Available upon request

Automatic switching to storage mode after each cycle (+/-).

Smooth surfaces and rounded corners allow **easy access for cleaning**

Removable wire rack with 10 positions, suitable for 1/1 GN.

Time circle starts **automatically** if user forgets to activate a process cycle.
