

COMPACT BURR: TIME TO RENEW YOUR EQUINE DENTISTRY EXPERIENCE!

Smaller - Lighter- Better

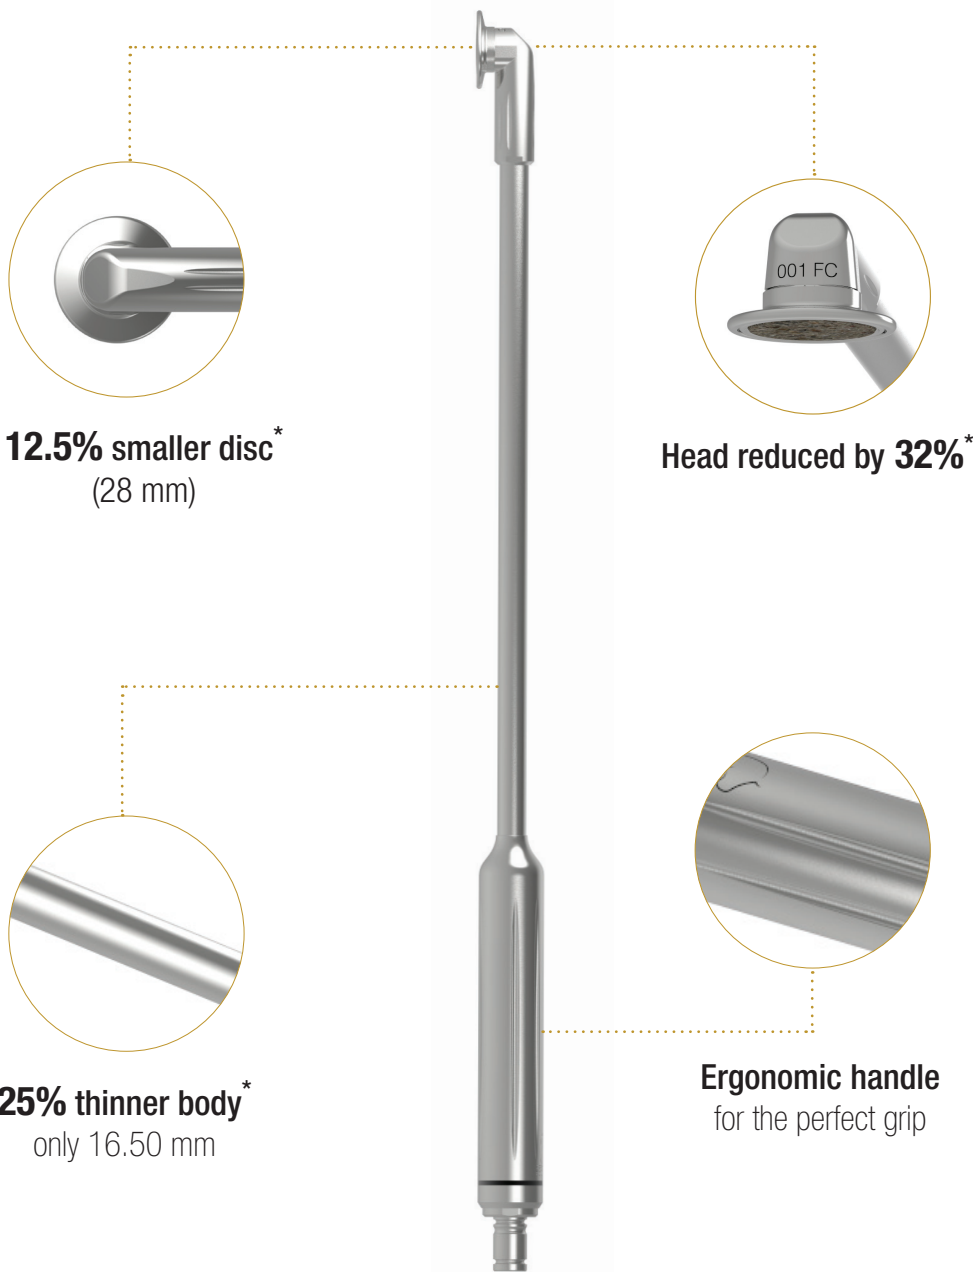

3 YEARS OF PRODUCT DEVELOPMENT

4000 HORSES ALREADY TREATED

COMPACT BURR: TIME TO RENEW YOUR EQUINE DENTISTRY EXPERIENCE!

Smaller - Lighter - Better

BENEFITS

- More comfort for faster & easier work
- Better access in the back of the mouth
- Greater visibility of the area to treat
- More ergonomic than most products on the market
- Easy-to-clean stainless steel
- Compatible with any HDE system
- Applecore handpiece version also available
- Weight reduced by **24%** compared to the long straight Polyfloat and **14%** compared to the long curved Flexidisc

* Compared to the HDE Flexidisc
