

MADE IN GERMANY

AESCULAP® ISIS

BATTERY-OPERATED CLIPPER / TRIMMER

Isis GT421

The trimmer for the specialist areas such as paws and face, and for precision contouring.

Improvements to the clippers at a glance:

- li-ion battery technology
- shearing time: 90 - 120 min.
- charging time: 90 min.
- stronger motor: 3.6 V
- latest generation circuit board
- LED display:
The green charging display flashes when the battery is charging and stays green when it is fully charged

ref. no.
