## Thanks for your interest in Makondo Pets.

We work on a daily basis with pet stores nationwide, some of the benefits you'll get by adding our products to your shelves are:

### Benefits:

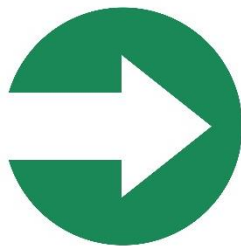

- We offer a high quality line of Veterinarian-Formulated Natural Supplements and Grooming supplies made in FDA inspected facilities in the US. We carry most of the supplements that pet parents are actually buying for their pets.
- Great Margins.
- No minimum quantities.
- Fast Delivery.
- Grooming + Supplements.

### Policies for Retail Stores:

- **We do not allow 3rd party selling (Amazon, eBay, Walmart, etc.)**
- You must respect MAPs (minimum advertised prices)
- Retailers are required to have a credit card on file and pay at placement of order
- We do not allow retailers to send product outside of the United States without prior approval

If you have any question, please contact us at [info@makondopets.com](mailto:info@makondopets.com)
