In a similar way, **Islamists**

remember **September 11th**. It was a date never to be forgotten.

Political Islam, or "Islamism," is a **globalist ideology** with a long **history of conquest**, but **three significant times its expansion was stopped on that date ...**

SEPTEMBER 11,
1565

Sultan Suleiman the Magnificent dominated the Mediterranean, with intentions of not only **invading** Sicily, Sardinia, Majorca, and southern Spain, but Rome itself.

The only thing standing in his way was the small rocky **Island of Malta** just south of Sicily, defended by the **Knights of Malta**.

In March of 1565, **Sultan Suleiman the Magnificent** sent **Algerian Admiral Dragut** to Malta with 200 ships and 40,000 Muslim soldiers, including 6,500 elite Janissary troops.

Dragut stated:

"Unless you have smoked out this nest of vipers, you can do no good anywhere."

Queen Elizabeth I of England is said to have remarked:

"If the Turks should prevail against the Isle of **Malta**, it is uncertain what further peril might follow to the **rest of Christendom**."

The Knights of Malta were led by a 70 year old

Frenchmen, **Jean Parisot de la Valette**.

Pleas for reinforcements went out across Europe, but defense seemed futile.

La Valette

addressed his men:

"A formidable army composed of **audacious barbarians is descending on this island**. These

persons, my brothers, are the enemies of Jesus Christ ..."

He continued:

"... Today it is a question of the defense of our faith -- as to whether the **Gospels** are to be superseded by the **Koran**.

God on this occasion demands of us our lives, already vowed to his service. Happy will be those who first consummate this sacrifice."

The Turks attacked again and again, even reducing one of their fortresses to rubble, but **the Knights** kept fighting, resolved to save Western Civilization.

Finally, **Dragut** was killed and the Muslims sailed away on SEPTEMBER 11, 1565.

SEPTEMBER 11,
1683

Sultan Mehmed IV sent over 138,000 Muslim Ottoman Turks to surround **Vienna, Austria**, led by **General Mustafa Pasha**.

For two months they **starved** the **11,000 Hapsburg-Austrian defenders**.

Sultan Mehmed IV sent the message to **Austrian King, Leopold I**:

"Await us in your residence ... so we can **decapitate you**."

Polish King Jan Sobieski gathered 81,000 Polish, Austrian and German troops and led a surprise attack on **SEPTEMBER 11, 1683**.

They made one of the largest charges in history, 38,350 cavalry and dragoons.

Soldiers had made **wings for their backs** which made a **thunderous noise** when they

charged, causing the Turks to **flee in confusion**.

Upon entering the abandoned Turkish tents, Sobieski found bags of beans - **coffee beans** - revealing how Turks could fight day and night.

The beans came from **Ethiopia**, the one African country which **stayed Christian**, and the Muslims called them **infidel** or "**cafir**," from which is assumed the word "**coffee**" was derived.

The legend is that **Pope Clement VIII** was petitioned to declare coffee "**the drink of the devil**" due to its association with Muslims, but the Pontiff tasted it and liked it, stating:

"This devil's drink is so good, we should **cheat the devil by baptizing it.**"

Shortly after the victory of Vienna, **Polish General Koltschizky** opened **Vienna's first coffeehouse** and coffee quickly spread across Europe.

The Pope and European leaders hailed **Jan Sobieski** as the "**Savior of Western Civilization.**"

President Theodore Roosevelt wrote in his 1916 book, *Fear God and Take Your Own Part*:

"From the hammer of **Charles Martel** to the sword of

Jan Sobieski, Christianity owed its safety in Europe to the fact it...could and would **fight as well** as the Mohammedan aggressor."

The humiliated Muslim army **beheaded General Mustafa Pasha** and sent his head back to **Sultan Mehmed IV** in a velvet bag.

Hilaire Belloc (1870-1953) wrote in *The Great Heresies* (1938):

"Less than 100 years before the American War of Independence a Mohammedan army was threatening to overrun and destroy Christian civilization ...

Vienna was almost taken and only saved by the **Christian army** under the command of the **King of Poland** on a date that ought to be among the most famous in history - **SEPTEMBER 11, 1683.**"

SEPTEMBER 11,
1697

Muslim Ottoman
Turks dominated
Belgrade, Serbia,
since 1521.

In 1691, Austria
helped free
Belgrade, but
Muslim Ottoman Turks recaptured it and **razed the city's
buildings to the ground.**

**The Serbian
Orthodox
Patriarch** led
thousands to flee
to the Austrian
Hapsburg Empire
in the first "**Great
Serbian
Migration.**"

**Habsburg Prince
Eugene of Savoy**
led the Holy
League to counter-
attack.

Losing 500 men, the **Holy League** killed 30,000 Turks in one of the Ottoman Empire's worst defeats in history - the **Battle of Zenta**, **SEPTEMBER 11, 1697**.

After these **three major defeats**: the **Battle of Malta**, **September 11, 1565**; the **Battle of Vienna**, **September 11, 1683**; and the **Battle of Zenta**, **September 11, 1697**, the

expansion of the **Ottoman Empire** stopped and began **its slow decline**.

Many think it is more than coincidence that **September 11th** was chosen for the **2001** and **2012** attacks, as well as, near that date in 2021, the **Taliban took control of Afghanistan**.

SEPTEMBER 11, 2001

Islamic terrorists hijacked passenger jets.

Two were flown into **New York's World Trade Center**, one into the **Pentagon** and one crashed in **Pennsylvania**.

President Bush stated:

"Freedom itself was attacked this morning by a faceless coward, and freedom will be defended,"

That evening, Bush stated:

"Thousands of lives were suddenly ended by evil, despicable acts of terror.

Pictures of planes flying into buildings, fires burning, huge structures collapsing have filled us with disbelief, terrible sadness and a quiet, unyielding anger."

He continued:

"America was targeted ... because we're the brightest beacon for freedom and opportunity in the world ... I ask for your prayers for all those who grieve ...

I pray they will be comforted by a power greater than any of us spoken through the ages in Psalm 23:

'Even though I walk through the valley of the shadow of death, I fear no evil for you are with me.'"

[DVD Islamic Conquest - Past and Present](#)

The **U.N. Universal Declaration of Human Rights**,

written with the help of **Eleanor Roosevelt**, was adopted by the U.N. General Assembly, Dec. 8, 1948.

Without referencing the "Creator" as the source of rights, like the U.S. Declaration of Independence, the **U.N. Universal Declaration of Human Rights** includes articles such as:

Article 18. "Everyone has the right to freedom of thought, conscience and religion; this right includes freedom to change his religion or belief."

This conflicted with Islamic Shariah law which imposes the death penalty for anyone leaving the Islamic religion.

Many articles in the U.N. Universal Declaration of Human Rights were rejected by the leaders of **57 Islamic states**, who formed their own group called the **Organization of Islamic Cooperation, or OIC**.

In 1990, OIC passed the **Cairo Declaration on Human Rights** in Islam, affirming **Shariah law** as supreme, with:

- the death penalty for those leaving Islam;
- punishing women who are victims of rape;
- allowing men to be polygamous;
- permitting wife beating; and
- censoring speech insulting Islam.

On December 12, 2011, Secretary of State **Hillary Clinton** began a 3 day **closed door meeting** with the **OIC**, promising to support their **Istanbul Process** to universally "criminalize" speech insulting Islam, effectively **enforcing "dhimmi" status on non-Muslims worldwide**.

By definition, the Christian Gospel insults sharia Islam.

If someone in a Sharia controlled country proclaims Jesus Christ more than a prophet- - but also the Son of

God who died on the cross to pay for the sins of the world -- it would mean the death penalty.

In fact, all speech contrary to Islam **insults Islam**.

At the end of the meeting, **OIC Secretary General Ekmeleddin Ihsanoglu** stated:

"The **Istanbul Process** initiated with **Secretary of State Hillary Clinton** ... must be carried forward."

Clinton added:

"We now need to move to **implementation**."

In the following months, **Hillary Clinton's State Department ignored repeated requests for security by Ambassador Chris Stevens in Libya**.

SEPTEMBER 11, 2012

Ambassador Stevens was killed with several others in the **Benghazi** attack.

The night of the attack, **Secretary Clinton's State Department** blamed a video, and the shortly after sent memos to YouTube and Google recommending they **censor speech insulting Islam**, consistent with promises made at the **OIC Istanbul Process** meeting.

U.S. Ambassador to the United Nations **Susan Rice** added to this narrative, as did **President Obama** when he told the U.N. General Assembly, Sept. 25, 2012:

"The future must not belong to those who slander the prophet of Islam."

Under **President Obama**, the U.S. supported the **Muslim Brotherhood's** ousting of **Egypt's President Mubarak**.

The **Muslim Brotherhood's** fundamentalist ideology has been labeled "**Islamism.**"

Then **U.S. weapons** were used to oust **Libya's President Gaddafi.**

Requests made by Judicial Watch through the Freedom of Information Act revealed emails of **weapons being moved** from **Benghazi** in a "Fast and Furious" **gun-running style program** to arm Muslim fighters in **ousting Syria's President Assad.**

It appeared to many that this may have been part of a **larger plan of international destabilization**, removing moderate leaders in order to **reestablish an Islamic Caliphate**, a step coinciding with the **globalist agenda of a one-world government.**

When Russia came to Assad's defense, the **Muslim terrorists armed and trained by the U.S.** attacked into Syria and Iraq, calling themselves **ISIS**, and proceeded to **torture, rape, behead and displace hundreds of thousands.**

The **Obama** administration's **arming of Islamic militants** was reported by *The Los Angeles Times* (3/27/16):

"In Syria, **militias armed** by the **Pentagon** fight those **armed** by the **CIA.**"

Pushing back against this was Congresswoman **Tulsi Gabbard** who introduced in 2016 the "**Stop Arming Terrorists Act.**"

The New York Times reported
July 29, 2017:

"**President Trump** has ended

the clandestine American program to provide arms and supplies to Syrian rebel groups, American officials said."

The New York Times

Trump Ends Covert Aid to Syrian Rebels

Robin Simcox of the Heritage Foundation wrote January 29, 2018:

"Some of the problems the **Trump** administration is now trying to resolve are those the **Obama** administration helped create ...

Trump deserves credit for hastening the downfall of **ISIS' caliphate**. However, **the war is not over**. The threat has mutated and will continue to mutate.

Islamism is an **ideology** with its own propulsion."

Highlighting America's ideology of **freedom**, **President Bush** stated September 13, 2001:

"In the face of all this evil, we remain strong and united, **'One Nation Under God.'**"
