Whether the 2021 **withdrawal** of **U.S. troops** giving **Afghanistan** to the **Taliban** was a simply an **unorganized fiasco** of President Biden's advisors, or a foreign policy shift **allowing China access to Afghanistan's rare earth metals for batteries**, or a strategic return to Obama era policies of **appeasing Islamists**, the **U.S. left the Taliban stockpiles of**

**billions of dollars of weapons**, including night vision goggles, bullet-proof cars and Black Hawk helicopters.

Many are questioning if some of these **weapons** made their way to **Hamas** to be used **against Israel** in the **unprecedented terrorist attack** of October 7, 2023, **killing over 1,400 innocent Israelis**.

**Representative Marjorie Taylor Greene @RepMTG** posted: "We need to work with Israel to **track** serial numbers on any **U.S. weapons used by Hamas against Israel**. Did they come from **Afghanistan**? Did they come from **Ukraine**? Highly likely the answer is both,"

*BPR Business & Politics Report* wrote August 20, 2021:

"Reports are coming out of **Afghanistan** that the **Taliban** has a **list of people who helped U.S. forces** and are now going **door-to-door searching for them** and then **brutally hanging those that they find**.

**Lt. Colonel Oliver North** joined **Fox News** host Sean Hannity on Thursday night and broke some very disturbing news.

"They've got the **bank records**. They got it **all thanks to the embassy** ... It is being reported that the **Taliban** has captured the **payroll data** from the **American embassy** and the **Kabul banks** showing the **names, addresses, and phone numbers** for locals now being **hunted down**."

Reports are coming out of Afghanistan that the Taliban has a list of people who helped U.S. forces and are now going door-to-door searching for them and then brutally hanging those that they find.

*FrontPage Magazine* reported August 19, 2021:

"As the **Taliban** moved into **Kabul** and demanded the **unconditional surrender** of the central government, **Taliban commander** Muhammed Arif Mustafa told CNN:

'It's our belief that one day, mujahedin will have victory, and **Islamic law will come not to just Afghanistan, but all over the world.**

We are not in a hurry. We believe it will come one day. **Jihad will not end until the last day' ...**

The **Taliban** does indeed want **peace** ... the peace that will follow the **world's submission to the hegemony of Islamic law.**"

**Islamic Sharia Law** is enforced by the **Taliban**, along with other **Wahabi-Salafi influenced groups**, such as Hamas, Muslim Brotherhood, Hezbollah, Al-Shabaab, Boko Haram, ISIS, al-Qaeda, and Iran's Ayatollah.

Is **Sharia Law** compatible with **U.S. Law**?

**President Obama** announced in Cairo, Egypt, June 4, 2009:

"When the first Muslim American was recently elected to Congress, he took the oath to defend our **Constitution** using the **Holy Qur'an.**"

As nice as this sounds, is there an inherent contradiction? Can one swear to defend the **Constitution** upon a book that instructs followers to **overthrow it**?

There are five schools of **Islamic law**, called

"sharia," four are Sunni and one is Shite.

As Islamic populations grow in neighborhoods, clandestine pressure increases for inhabitants to **comply** with aspects of sharia.

This behavior is observed in nations around the world, such as with Islamist organizer **Anjem Choudary** of Islam4UK, who stated (*London Daily Express*, 10/15/09):

**"We have had enough of democracy and man-made law ... We will call for a complete upheaval of the British ruling system ... and demand full implementation of sharia in Britain."**

Not all **Middle East** leaders wanted **Sharia Law**.

**Mustafa Kemal Ataturk**, considered the father of the modern **Republic of Turkey** and **its first President**, 1924-1938, abolished sharia courts, and made Friday a workday, instituting the "weekend" of Saturday and Sunday.

He outlawed polygamy and elevated the status of women, appointing the first female judges, and insisting on education of girls.

He abolished women wearing of scarves, veils, chadors or burqas – the full-length body dress worn by Muslim women, and requiring women to wear skirts.

**Ataturk** stated:

"If henceforward the women do not share in the social

life of the nation, we shall never attain to our full development. We shall remain irremediably backward, incapable of treating on equal terms with the civilizations of the West."

**Ataturk** wrote in his book on citizenship (quoted in *Ataturk, Yurttaslik Bilgileri, Yenigun Haber Ajansi*, June 1997, p. 18):

"Mohammedanism was based on Arab nationalism above all nationalities ...

The purpose of the religion founded by Muhammad, over all nations, was to drag them into Arab national politics ... It might have suited tribes in the desert. It is no good for a modern, progressive state ...

Even before accepting the religion of the Arabs, the Turks were a great nation ... He is a weak ruler who needs religion to uphold his government."

**Ataturk** abolished the position of the Sultan and set up a secular government He ended the religious Caliphate, thus preventing Muslim religious leaders from controlling government affairs.

In an effort to cut ties with the fundamentalist past, he introduced the western use of last names, replaced Arabic Islamic names with Turkish names, and encouraged the next generation not take Arabic names but instead ethnic Turkish names.

**Ataturk** abolished the use of Arabic and Persian script and replaced it with the Latin alphabet. He abolished turbans and fezes, the red felt cap with a black tassel, and required men to wear western pants and suits.

**Ataturk** banned beards on men, and even required Muslim prayer leaders to be beardless. He replaced

Arabic muezzin's call to prayer and made praying a private affair.

Similarly, in **Egypt, President Gamal Nasser** told a political gathering in 1958:

"I met with the head of the Muslim Brotherhood and he sat with me and made his requests.

What did he request? The first thing he asked for was to make wearing the hijab mandatory in Egypt and demand that every woman walking in the street wear a tarha scarf, [audience laughter] Every woman walking! [someone in audience shouted "let him wear it!"]

And I told him, if I make that a law they will say that we have returned to the days of Al-Hakim bi Amr Allah, who forbade people from walking at day and only allowed walking at night.

And my opinion is that every person in his own house decides for himself the rules,

And he replied "No, as the leader, you are responsible."

I told him, "Sir, you have a daughter in the School of Medicine and she is not wearing a tarha. Why didn't you make her wear a tarha? If you are unable to make one girl - who is your daughter - wear the tarha, you want me to put a tarha on 10 million woman myself? laughter]

**Shah Reza Pahlavi of Iran**, in office from 1941 to 1979, was a strong **supporter of the United States and western ideals of freedoms.**

**The Shah** met with **Presidents Roosevelt, Truman, Eisenhower, Kennedy, and Nixon.**

**The Shah** was **betrayed by President Jimmy Carter,**

who ushered in the **fundamentalist Ayatollah Khomeini**, who **enforced Sharia Law** in Iran.

When one **compares Sharia Law** with the **U.S. Constitution** and its **Amendments**, there are **incompatibilities**.

**Supreme Court Justice Robert Jackson** wrote in the foreword of the book *Law in the Middle East* (1955):

**"The law of the Middle East is the antithesis of Western law."**

The **FIRST AMENDMENT** to the U.S. Constitution states that Congress shall **make no law prohibiting the "free exercise" of religion**, yet Mohammed said

"Whoever changes his Islamic religion, kill him." (Hadith Sahih al-Bukhari, Vol. 9, Book 84, No. 57).

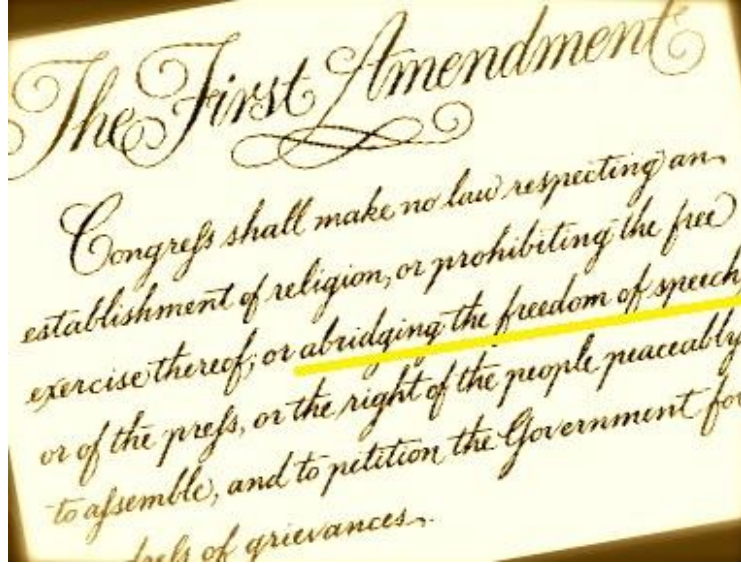

**Sharia** relegates **non-Muslims** to **"dhimmi" status**, where they are not to propagate their customs among Muslims, and cannot display a Cross, Christmas decorations, or a Star of David.

The **Quran** states in Sura 4:89, "Those who reject Islam must be killed. If they turn back (from Islam), take hold of them and kill them wherever you find them."

The **FIRST AMENDMENT**

states Congress shall not abridge **"the freedom of speech,"** yet **sharia** enforces dhimmi status on **non-Muslims,** prohibiting them from observing their religious practices publicly,

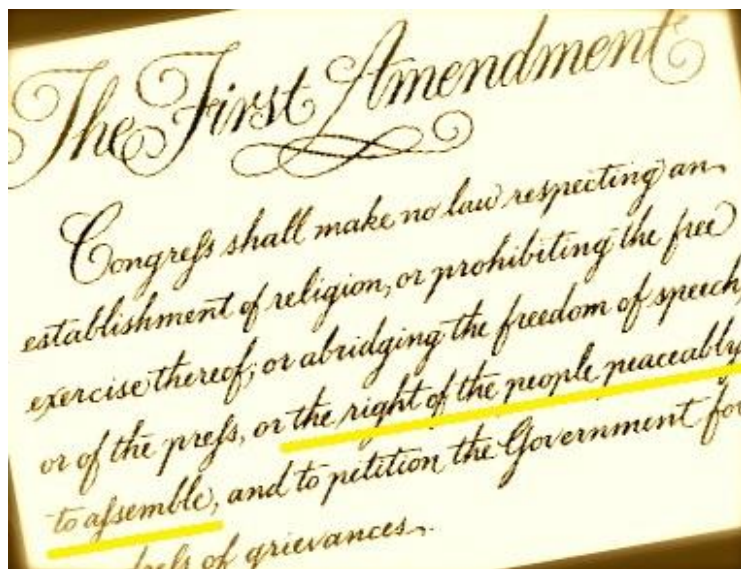

raising their voices during prayer, ringing church bells, or say anything considered "insulting to Islam."

The French philosopher Voltaire once said: "If you want to know who controls you, look at who you are not allowed to criticize."

The **FIRST AMENDMENT** states Congress cannot take away **"the right of the people to peaceably assemble,"** yet **sharia** states **non-Muslims** cannot repair

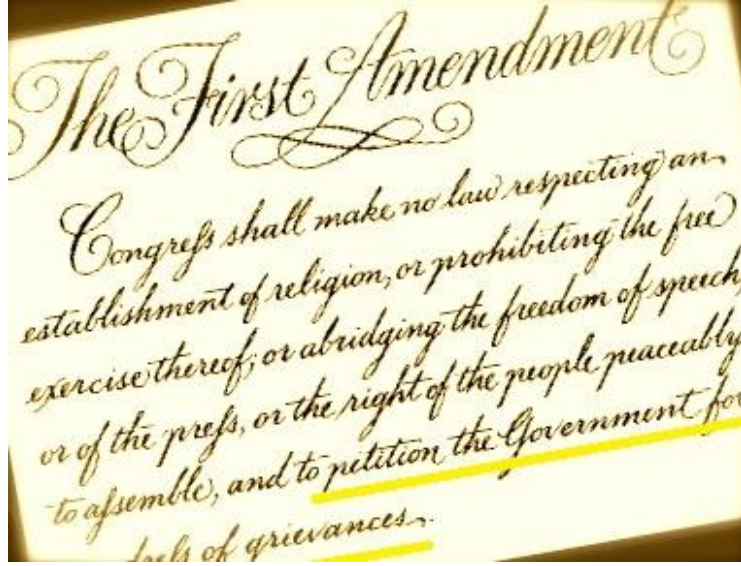

places of worship or rebuild destroyed ones; they must allow Muslims to participate in their private meetings; they cannot bring their dead near the graveyards of Muslims or mourn their dead loudly.

The **FIRST AMENDMENT** states Congress cannot take away the right of the people **"to**

petition the Government for a redress of grievances," yet sharia states non-Muslims are not to harbor any hostility towards the Islamic state or give comfort to those who disagree with Islamic government.

The SECOND AMENDMENT states "the right of the people to keep and bear arms shall not be infringed," yet sharia states non-Muslims

cannot possess arms, swords or weapons of any kind.

The THIRD AMENDMENT states one cannot be forced to "quarter" someone in their house, yet sharia states non-Muslims must entertain and feed for three days any Muslim who wants

to stay in their home, and for a longer period if the Muslim falls ill, and they cannot prevent Muslim travelers from staying in their places of worship.

The FOURTH AMENDMENT guarantees **"the right of the people to be secure in their persons, houses, papers, and effects against unreasonable searches and seizures,"** yet sharia states

**non-Muslims** do not have this protection; and if a **non-Muslim** rides on a horse with a saddle and bridle, the horse can be taken away.

The FIFTH AMENDMENT states that **"no person shall be held to answer for a capital or otherwise infamous crime ... without due process of law,"**

yet Mohammed said "No Muslim should be killed for killing a **Kafir (infidel).**" (Hadith Sahih al-Bukhari, Vol. 9, No. 50).

The SIXTH AMENDMENT guarantees a **"public trial by an impartial jury"** and the SEVENTH

#### 4th Amendment

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

#### 5th Amendment

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a Grand Jury, except in cases arising in the land or naval forces, or in the Militia, when in actual service in time of War or public danger; . . .

AMENDMENT states "the right of trial by jury shall be preserved," yet **sharia** does not give **non-Muslims** equal legal standing with Muslims, even prohibiting them from testifying in court against Muslims.

## The Sixth Amendment

"In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the State or District where the crime shall have been committed, to be informed of the charges against him, to confront the witnesses against him, to have compulsory process for obtaining witnesses in his favor, and to have the assistance of counsel for his defense."

### 7th Amendment

In Suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by a jury, shall be otherwise re-examined in any Court of the United States, than according to the rules of the common law.

The EIGHTH AMENDMENT states there shall be no "cruel and unusual punishments inflicted," yet the Qur'an states: "Cut off the hands of thieves, whether they are male or female, as punishment for what they have done—a deterrent from Allah." (Sura 5:38)

A woman who is guilty of adultery, fornication, or who has been raped is also punished by flogging "with a hundred stripes." (Sura 24:2)

**Sharia** allows men to beat women: "If you experience rebellion from the women, you shall first talk to them, then (you may use negative incentives like) deserting them in bed, then you may (as a last alternative) beat them" (Sura 4:34).

Another **sharia** practice is honor killing of wives and daughters who have embarrassed their families.

**Sharia** practicing fundamentalists have been reported to punish those breaking laws by beatings, mutilations, electrocutions, rapes, burying alive, burning, stabbing, acid attacks, torturing, strangling, drowning, stoning and beheading.

The NINTH and TENTH AMENDMENTS protect rights not listed in Constitution by **reserving them to the states and to the citizens** within the states.

Under **sharia**, citizens, especially women and **non-Muslims**, do not have inherent God-given rights.

The THIRTEENTH AMENDMENT states there shall be no "**slavery or involuntary servitude**," yet the **sharia** accommodates slavery as Mohammed owned slaves.

The FOURTEENTH AMENDMENT guarantees citizens "**equal**

**protection of the laws,"** yet **sharia** does not consider Jews, Christians or other **non-Muslims** as equal before the law with Muslims.

Referring to Jews as "the People of the Book,"

Muhammad said: "They are those whom Allah has cursed; who have been under his wrath; some of whom were turned into apes and swine" (Sura 5:60, 7:166, 2:65).

The FIFTEENTH AMENDMENT guarantees "**the right of the citizens ... to vote shall not be denied ... on account of race, color, or previous condition of servitude,"** yet

strict interpretation of **sharia** does not allow voting, as democracy is considered people setting themselves above Allah by making their own laws.

The SIXTEENTH AMENDMENT has some similarities with **sharia**, as "**Congress shall have the power**

### 14th Amendment

... the Executive and Judicial officers of a State, or the members of the Legislature thereof, is denied to any of the male inhabitants of such State, being twenty-one years of age,\* and citizens of the United States, or in any way abridged, except for participation in rebellion, or other crime, . . .

### 15th Amendment

Section 1. The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any State on account of race, color, or previous condition of servitude.

Section 2. The Congress shall have the power to enforce this article by appropriate legislation.

to lay and collect taxes on incomes from whatever source derived."

Mohammed said "Fight those who believe not in Allah ... until they pay the jizya [tax] with willing

submission, and feel themselves subdued." (Sura 9:29)

The SEVENTEENTH AMENDMENT senators directly elected by the people.

**Sharia** does not believe people, especially women and **non-Muslims**, should be allowed to choose their leaders.

The EIGHTEENTH AMENDMENT has some similarities with sharia, as "the manufacture, sale, or transportation of intoxicating liquors ... for beverage purposes is hereby prohibited."

This is the same with sharia.

The NINETEENTH AMENDMENT allows **women to vote**, yet in most **sharia** controlled countries women

## 16TH AMENDMENT

- Income tax (1913)

**Congress has the right to tax people's incomes.**

## 17TH AMENDMENT

- Direct Election of Senators (1913)

**United States senators are elected directly by the people of their states.**

cannot vote, as they are considered inferior to men.

“Men are superior to women” (Sura 2:228) and “Men have authority over women because Allah has made the one superior to the other, and because men spend their wealth to maintain women” (Sura 34:4).

The TWENTY-FIRST AMENDMENT allows for the **sale of liquor**, yet **sharia** does not allow individuals to sell or consume wine and liquor in public.

The TWENTY-SECOND AMENDMENT **limits a President to two terms**, but **sharia** is opposed to citizens, especially women and **non-Muslims**, voting for Presidents. **Sharia** seeks to recognize a divinely-appointed Caliph.

The TWENTY-THIRD AMENDMENT allowed **citizens of Washington, DC., to vote** in Presidential elections.

Again, **sharia** is opposed to allowing citizens, especially women and **non-Muslims**, to vote.

The TWENTY-FOURTH AMENDMENT **abolished poll taxes**, where someone was required to pay a fee in order to vote.

Again, **sharia** is opposed to citizens, especially women and **non-Muslims**, voting.

The TWENTY-FIFTH AMENDMENT addresses

**succession to the Presidency** and establishes procedures both for **filling a vacancy in the office of the Vice President**, as well as responding to Presidential disabilities.

Again, **sharia** does not believe people, especially women and **non-Muslims**, should be allowed to choose their leaders.

TWENTY-SIXTH AMENDMENT allowed 18-year-olds to vote.

Again, **sharia** is opposed to citizens, especially women and **non-Muslims**, voting, as it considers its laws as divine.

[What Every American Needs to Know about the Qur'an - A History of Islam and the United States](#)

**Supreme Court Justice Robert Jackson** wrote in the foreword of the book *Law in the Middle East* (1955):

"**Islamic law** offers the American lawyer a study in **dramatic contrasts**.

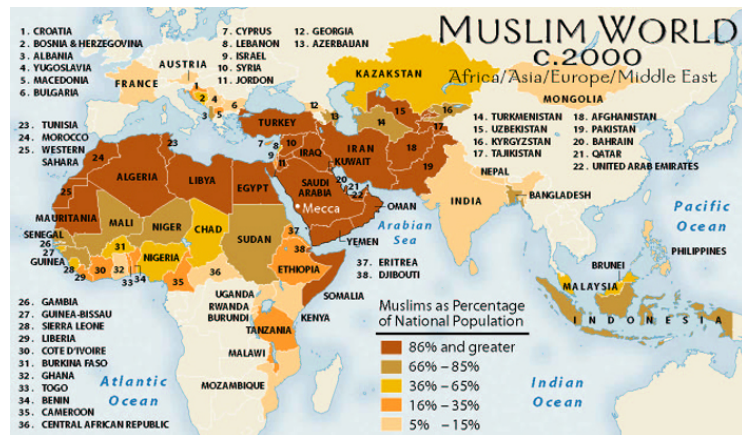

Even casual

Nigeria, Oman, Pakistan, Qatar, Saudi Arabia, Somalia, Sudan, Syria, Tunisia, United Arab Emirates, Yemen.

Instances of **sharia** exist in different countries to varying degrees, such as:

## 1. Indonesia

(flogging, caning; sharia applied

strictly in Aceh province)

2. **Turkey** (some restrictions on alcohol)

3. **Brunei** (caning; alcohol is illegal)

4. **Jordan** (two years or less for honor killings)

5. **Eritrea** (girls as young as 8 can be married; spousal rape is not recognized)

6. **Syria** (one year or less for honor killings)

7. **Djibouti** (sharia law regarding divorce)

8. **Chechnya** (modest dress enforced; alcohol and gambling suppressed by local authorities)

9. **Niger** (girls can be married off before they reach puberty)

10. **Nigeria** (sharia is enforced in the northern states)

11. **Kenya** (ad hoc sharia enforced in the east near the border with Somalia)

12. **Gambia** (sharia courts decide all family matters, including for non-Muslims)

13. **Qatar** (public consumption is illegal during Ramadan; alcohol heavily restricted; blood money acceptable punishment for murder; "kafala" law, which is also shared by all Gulf states but Bahrain, is technically slavery)

14. **Uganda** (Kadhi courts overseeing family and civil matters)

**Muhammad** was a **religious leader**, and also a **political and military leader**.

As a result, to some of his followers, **Islam** is not just a

**religious system, but also a political and military system.**

Worldwide, there is no single individual or group that has the **authority** to insist that **followers of Muhammad cease from imitating his political and military example**

**A sharia** practicing person bowing toward Mecca is effectively pledging political and military allegiance to a globalist Islamist agenda they consider superior to the country they live in.

Swearing to defend the **U.S. Constitution** upon a **Quran** presents a dilemma.

In light of increased terrorism in Western nations, it is understandable how some feel uneasy about **Keith Ellison swearing into office with his hand upon a book** which **advocates inequality towards non-Muslims.**

It would be similar to a leader in **Germany's National Socialist Workers Party** swearing upon **Hitler's *Mein Kampf*** to protect **non-Aryans.**

Describing Hitler's *Mein Kampf* as a "**new Koran,**" **Winston Churchill** wrote in *Second World War* (Vol. 1, Ch. 4, *From War to War*, p. 50-55):

**"*Mein Kampf*, a treatise on Hitler's political philosophy ... the technique of party propaganda ... the concept of a National-Socialist State ... Here was the new Koran of faith and war: turgid, verbose, shapeless, but pregnant with its message ...**

The main thesis of *Mein Kampf* is simple. Man is a fighting animal; therefore the nation, being a community of fighters, is a fighting unit ...

The fighting capacity of a race depends on its purity.  
**Hence the need for ridding it of foreign defilements.**

The Jewish race, owing to its universality, is of necessity pacifist ...

**Only brute force** can ensure the survival of the race; hence **the necessity for military forms**. The race **must fight**; a race that rests must rust and perish."

In light of brute force groups like ISIS, Taliban, ISIS, Al-Qaeda, Boko Haram, Hamas, Hezbollah, and Muslim Brotherhood moving into host countries and enforcing **sharia**, the question is posed, could gangs such as the Bloods, Crips, MS-13, Antifa, cartels, Mafia, or the KKK be allowed to infiltrate neighborhoods and enforce vigilante justice by claiming it is part of their religion?

In some countries, Islamists use the democratic process to get elected, then once in power, they proceed to dismantle democracy.

*The Economist* reported (2/4/16) of Turkey's leader:

"Mr Erdogan made a telling remark ... 'Democracy is like a train,' he said; 'you get off once you have reached your destination.'"

[DVD Islamic Conquest - Past and Present](#)

It is reported that a **record number of Muslims are running for political office.**

Perhaps it would be worth

considering having all politicians take a pledge:

### PLEDGE TO STOP CRUELTY & ABUSE OF WOMEN AND THE DEFENSELESS

·I pledge to **stand against WIFE-BEATING** -- allowing a man to bully, batter or be physically abusive to his wife if she does not obey him or refuses to have sex with him;

·I pledge to **stand against POLYGAMY** -- allowing a man to have multiple wives;

·I pledge to **stand against PUNISHMENT OF RAPE VICTIMS** -- whipping, stoning or inflicting of corporal punishment on a woman who has been the victim of a rape;

·I pledge to **stand against INEQUALITY** -- teaching chauvinism, that men are more equal than women before the law;

·I pledge to **stand against SEX SLAVERY** -- allowing women to be forced into involuntary marriages and sex-trafficking;

·I pledge to **stand against NO AGE OF CONSENT** -- allowing a man to marry a girl who is under the age of consent;

·I pledge to **stand against NO FREEDOM TO BE ALONE IN PUBLIC** -- not allowing women to leave their

homes without being accompanied by a male relative;

·I pledge to **stand against DETERMINING OF DRESS** -- discriminating, threatening, uttering of abuse, or committing violence on a woman because she is seen in public not wearing a particular dress or covering;

·I pledge to **stand against DEFENSELESS DIVORCE** -- facilitating men divorcing their wives without due process of American law, such as by simply saying "I divorce you" three times;

·I pledge to **stand against NO ALIMONY** -- denying alimony to a woman who has been divorced, without due process of American law;

·I pledge to **stand against NO VISITING RIGHTS** -- denying a woman who has been divorced access to her own children, without due process of American law;

·I pledge to **stand against KIDNAPPING OF CHILDREN** -- facilitating a father taking a woman's children to another country which has laws denying her rights to her own children;

·I pledge to **stand against HONOR KILLINGS** -- supporting a system which effectively provides cover for a man who kills a wife or child that embarrassed him before his faith community;

·I pledge to **stand against MUTILATION** -- practicing female genital mutilation, or defacing a woman, such as by cutting off her nose;

·I pledge to **stand against CORPORAL PUNISHMENT** -  
- beheading, acid attacks, amputation, or any form of cutting off parts of a person's body as punishment for a crime;

·I pledge to **stand against NAME-CALLING** -- calling women who are not covered "whores," or any race of people "apes or pigs";

·I pledge to **stand against DEATH THREATS** -- issuing against someone for leaving a faith community;

·I pledge to **stand against NO HONESTY** -- lying to gain access into a group, party, or university, then using membership, financial contributions and intimidation to subvert the group into not opposing clandestine laws which deny women & children rights;

·I pledge to **stand against GENOCIDE** -- advocating racism, extermination of ethnic groups, such as Jews, or Africans in southern Sudan;

·I pledge to stand **against the PROHIBITION OF DOGS** -- discriminating against those with seeing-eye dogs, service dogs, or canine companions;

·I pledge to **stand against those who claim AMERICAN LAW IS NOT LAW OF THE LAND** -- advocating for foreign laws and traditions to be superior to U.S. laws;

·I pledge to **stand against DISDAIN FOR PLEDGE** -- disparaging or discouraging American citizens from pledging allegiance to the flag of the United States of America.

Demonstrators in Dearborn, Michigan, held up a sign:

"We will use the **freedoms of the Constitution** to **destroy the Constitution.**" (*The Cross in the Shadow of the Crescent*, Lutzer, 2013)

Citizens must decide if **sharia** is compatible with the **U.S. Constitution**, or if those promoting it will be allowed to

stealthily use the freedoms of the Constitution to **implement sharia and eliminate the Constitution.**

**Dwight Eisenhower** warned in a *TIME Magazine* article, "Eisenhower on Communism," October 13, 1952:

"The Bill of Rights contains no grant of privilege for a **group of people to destroy the Bill of Rights.**

A group ... dedicated to the **ultimate destruction of all civil liberties**, cannot be allowed to claim civil liberties as its privileged sanctuary from which to carry on **subversion of the Government."**
