# WHALE TALES

AUCKLAND 2022

## TRAIL MAP

24 January - 18 April 2022

# KIA ORA

### and welcome to Whale Tales 2022!

We are thrilled to bring this truly immersive experience, celebrating Aotearoa, art and marine conservation, to Tāmaki Makaurau.

Inspired by the threatened (nationally critical) Bryde's whale, the trail is made up of 80 whale Tail sculptures dotted around Auckland's streets, parks, and open spaces to provide you with a fresh opportunity to explore Tāmaki Makaurau.

Explore the unique and stunning whale Tail sculptures, designed by talented artists and students, and sponsored by generous businesses and organisations. Every Tail has its own tale too, so soak up the rich stories as you journey through the trail.

And the legacy of Whale Tales continues long after the trail ends. The sculptures will be auctioned to raise funds for WWF-New Zealand's vital work to protect and restore the Hauraki Gulf and the Bryde's whales that call it home.

So let the Tail watching, tale telling begin! Share your tale with us on the Whale Tales App or social pages!

## WWF-NEW ZEALAND

WWF-New Zealand is part of the World Wide Fund For Nature (WWF) global network - the world's largest conservation organisation.

Since 1975, WWF-New Zealand has worked on the ground with local communities, and in partnership with government and industry, using the best possible science to advocate for change and effective conservation policy. Our vision is to build a future where all people live, and thrive, in harmony with nature. Our mission is to actively restore and enhance Aotearoa's natural world from sea to sky.

We work to protect and restore our moana (ocean) and it's marine life. Whale Tales is inspired by our ocean work and the Bryde's whale, a symbol for a healthy ocean.

Sadly, our Bryde's whales are in serious trouble because their home in the Gulf is no longer safe. Together, we can restore the wonder of the Gulf so that our tamariki and future generations can enjoy these amazing whales for years to come.

*Ko ngā pae tawhiti, whaia kia tata  
Ko ngā pae tata, whakamaua kia tina.  
'The potential for tomorrow is determined by what we do today.'  
A whakatauki, (Māori proverb)*

"Whale Tales is the story of a healthy ocean. Whales have been singing their own stories for generations and now is our opportunity to amplify their voices. Whales, a taonga species, are an indicator of a healthy ocean. Unfortunately, many of our ocean species, including whales, are facing extinction. So, what better way to tell the ocean's story than a trail inspired by, Hauraki Gulf resident, the endangered Bryde's Whale? Together it is possible to protect and restore the mauri of our ocean. It is possible to fish sustainably, to find innovative solutions for our changing environment, combat climate change, and protect our future so Aotearoa is a place where people live in harmony with nature."

Livia Esterhazy,  
WWF-New Zealand CEO

"Whale Tales is a fitting theme for our city - Auckland is a place deeply connected to the sea and to the marine life that inhabits it. We are blessed with three harbours, nearly 4000-kilometres of coastline, and over a thousand beaches. Whale Tales is not only a chance to celebrate our environment and biodiversity, it's also an opportunity for all Aucklanders to experience the enrichment that art brings, by taking it out of the gallery and into the outdoors."

Phil Goff,  
Auckland Mayor

"Thank you for joining Whale Tales 2022! We are very excited to be returning to Auckland - our second art trail in the city. At Wild in Art we champion the importance of accessible art to everybody, along with its inspirational social, cultural and educational value for the community."

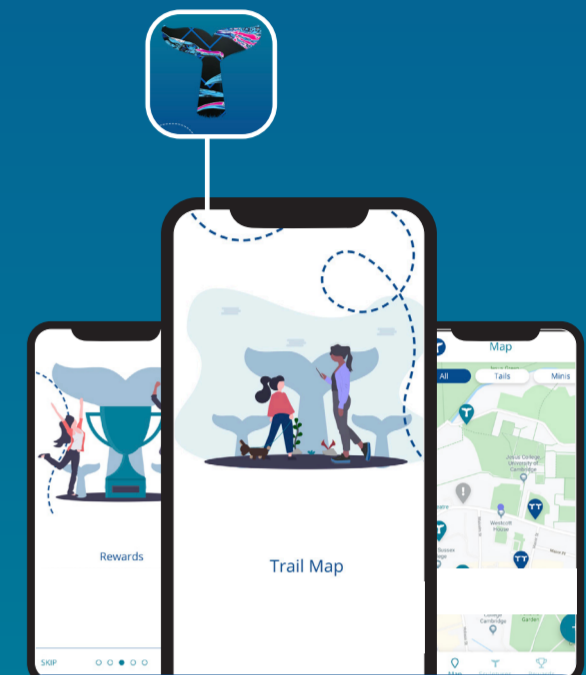

Charlie Langhorne,  
Director Wild in Art

## LET'S GO WHALE (TAIL) WATCHING

Download the FREE Whale Tales app from the App Store or Google Play to:

- Navigate the trail to find the 80 Big Broo and 80 Pēpi Pod Tails
- Enter the 4-digit codes to unlock sculptures and get rewards and offers from our sponsors - including the chance to win a family pass with Auckland Whale and Dolphin Safari!
- Mark key milestones along the way, as you "collect" whale Tails
- Add your photos to our gallery and share on social media - remember to use #whaletales2022
- Plus, track your steps with the inbuilt pedometer and get updates on events and special offers

Can't make it to some of the Tails? See them all by visiting the Virtual Trail at [whaletales2022.org/virtual](http://whaletales2022.org/virtual)

## DONATE TO WWF-NEW ZEALAND

Donate now to support work to restore the Hauraki Gulf and help save our Bryde's whales.

Here's how:

- Text **Whale** to **2923** to donate \$3 to World Wide Fund For Nature (WWF) - NZ
- Go to [donate.wwf.org.nz](http://donate.wwf.org.nz)
- Or scan the QR code below

The Hauraki Gulf (Tikapa Moana/Te Moananui-ā-Toi) covers 1.2 million hectares of ocean, stretching from Mangawhai, north of Auckland, to Waihi on the Coromandel Peninsula.

# Win

A \$200 PREZZY CARD WITH **Harcourts**

Take a selfie with as many of the whale Tails as you can find across Auckland using the hashtag

#WHALEFINDER  
from 24th January - 18th April 2022

One picture will be chosen as the winner from Facebook or Instagram at random on 19 April. This competition is not open to Harcourts members or employees of Whale Tales 2022 sponsors.

Our ocean produces over half of the world's oxygen! It also transports heat from the equator to the poles, regulating our climate and weather patterns.

To reduce the carbon footprint of your adventure, we encourage you to take public transport, walk or bike the trail!
