**—— You do not
seek inspiration.
You open
the door for it.**

_____ **W**hat inspires you? Shapes and colours. Materials and finishes. Your favourite furniture. The entrance portals of old townhouses. Chopin's Nocturne Es-Dur Opus 9 No. 2 or the old punk record with the beautiful scratches. We find contrasts especially inspiring. It is so rewarding when they suddenly meet. Thick and thin, big and small. Black, white, and colourful. Minimalism and exuberant life. Sweet, sour, salty. Contrasts attract. In surfaces, haptics, transitions.

How do you deal with that? Contrasts want us to play with them. We invite you to do exactly that. With the style worlds by Häfele.
