Recycling Program Application

Thank you for your interest in joining our efforts to help the environment! Good news, anyone can participate in this program! All we ask is that you agree to the following terms and conditions to help us stay in line with the terms we have with our partners so we can continue to offer this awesome program.

- Our boxes and bags **MUST** be used. No exceptions. We have our boxes sized just right so that our shipping partners will not claim them to be oversized or overweight and the bags help to contain any sealants that could otherwise leak out of the box. We sell these for \$84 which includes 30 boxes and bags. (This amount of boxes lasts most shops at least a year. Most shops use about 2 boxes a month per location.)
- When you have a full box you simply go online and purchase a return label from us, we will send you the label and you can ship the product back to us. These labels cost \$35. This cost covers the return shipping and all the associated costs with the recycling.

Some more great news!

- **HOWEVER**, if you are an actively ordering, direct, Tannus dealer your first recycling shipping label will be free. An actively ordering Tannus dealer means an average of \$200 every month. For every \$200 order, Tannus will pay for the shipping and processing of one recycling box. Tannus is still willing to accept and recycle more tube recycling boxes but shops will be responsible for those additional fees. If you want more information on this check out our website at <https://tannusamerica.com/pages/dealer-application>. If you feel this route better suits your needs please **STOP** and only fill out the dealer application.
- These tubes and tires are repurposed into rubber seals in windows, mats, roads and much more!
- All tubes can be included, including slime, with the one exception of Tubolito types, sorry!
- The valves do **NOT** need to be cut out.
- Tires are welcome but **MUST** be cut into fourths to maximize the box space.

Please fill out the following information so we can set you up in our system to be able to order recycling products from us.

DBA/Shop Name: _____

Contact Name: _____

Email: _____

Phone number: _____

Wanna do even more?

Choose to donate to our recycling program! We have the option to add a \$1, \$3 or \$5 donation to your order to help us cover the cost of running this program and to help individuals who want to recycle with us or our shops but don't have enough to justify their own box.

Finally, rest assured that you are doing your part to help our environment.

Thanks, again! -Tannus America
