

# CŒUR CLÉMENTINE

*la pétillante*

**REGION:** Var, Provence, France

**ABOUT:** Cœur Clémentine is proud to release its La Pétillante Clémentine Brut Rosé. After a few years of development alongside the Bréban family, famous for their artisanal Provencal wines; we are proud to be one of the few sparkling wines made in Provence.

**VINEYARD:** Located in Var, Provence, our Grenache is sourced from 3 different vineyards situated on rolling hills.

**COMPOSITION:** 100% Grenache

**WINEMAKING:** We use techniques that three generations of the Bréban family has perfected since 1952. Starting with an early morning harvest when temperatures are the lowest; we run our grapes through a soft press and cold filtration, extracting the juice with minimal skin contact. This delicious sparkling wine is the result of two fermentation cycles over several months; the second fermentation of at least 30 days is what generates the effervescent bubbles.

**TASTING NOTES:** Great bead structure with long lasting effervescent bubbles giving off aromas of berries, citrus and spring florals from Provence. This wine can be enjoyed as an apéro or is excellent with fish, Asian dishes, as well as dessert cheeses. To be served chilled.
