Vins Clémentine

WINERY HISTORY

Founded in 2005, Coeur Clémentine is the result of the decades-long friendship of its founders and their shared passion for the wines of Provence.

Crafted in the 93 year-old cooperative, Saint-Sidoine in Puget-Ville, Var, France (between Marseille and Saint Tropez), Coeur Clémentine grows and produces its wine under the watchful eye of winemaker, Jean Christophe Audéoud.

With the release of our 2018 vintage we are celebrating the release of our 10th vintage and 10 years of producing excellent award-winning wines.

CÔTES DE PROVENCE

With 26 centuries of winemaking experience, Provence is the oldest wine growing region in France, and the first wines to be made here were rosés.

Today, Provence devotes over 88% of its production to rosé wines.

When consumers think rosé, they think Provence!

CÔTES DE PROVENCE ROSÉ

For over a decade, we have been working closely with several families in what is called the “Golden Triangle”, growing and harvesting grapes using natural methods that have endured generations. Our wine is hand-crafted from start to finish.

Unique in its composition, our rosé is assembled from Cinsault, Grenache, Mourvèdre, Tibouren, Carignan and Syrah.

Light and clear in color, this bone-dry rosé delivers a well-rounded roll on the palate. We extract the best part of the fruit at exactly the right time to maintain a balance between clarity, color and vibrant aromas.

BRUT ROSÉ SPARKLING WINE

100% Grenache

La Pétillante is the result of several years of development; resulting in an award winning sparkling that is truly divine.

Delicate and layered aromas of fresh berries and spring flowers.
