

STANDESK

ELECTRIC SIT-STAND DESK

Converting the STANDESK to suit Apple iMac

1. If you have an Apple iMac monitor, you will need to use a [VESA Mount Adapter Kit for iMac](#) to connect the mounting plate to the Apple iMac monitor.

2. These adapters are commonly found at either Apple stores or your local electronics store.

AVAILABLE IN AUSTRALIA FROM:

<http://www.anyware.com.au/brands/brateck/bf-mac-a.html>

(Press 'Where to Buy' button)

3. For assembly, just follow the link below which helps describes the process:
