

Executive Chair and Visitor Chair

Flash Chair

The **Flash** Executive Chair is an ergonomic office executive chair designed to provide a comfortable, relaxing and contemporary feel at the office using an upholstered fabric seat and back.

The **Flash** Chair sits on a synchronous mechanism capable of seat height adjustment and seat and back angle adjustment. The elegant design focuses on clean lines, ergonomics, high quality standards and a strong aesthetic appeal. Perfect for the office and home office fit-outs.

The **Flash** Chair is available using gas height adjustment and a polished base with glides
