

## Connie's Texas Star Templates

Each star can be made from 2—2 1/2" strips and a fat quarter for the background

Stretching the fabric ahead of time is recommended

Template A - Cut 5 with the template right side up

Template A—Cut 5 with the template wrong side up

(Easier method, stack the strips facing opposite directions and cut 5 sets of Template A)

Template B—Cut 2 with background fabric facing right or wrong sides together

Template C—Cut 2 with background fabric facing right or wrong sides together

Template D—Cut 1

**Please check our website for helpful videos: [www.OffTheWallQuilt.com](http://www.OffTheWallQuilt.com)**

Note: Templates B & C can also be cut with the edge of the fabric on the dotted line if making a pentagon block

Sew in 2 groups in the numbered order as shown.

They may also be sewn in reverse order. Join the 2 large groups and then add the bottom piece.

Press seams open as you go, except for seams 4 & 8, press to the side.
