

Pieceful Crocus Focus

By Julie Luoma, Off the Wall Quilt

This is a great scrap project!

Cut the pieces the sizes shown above. The seam allowances are already added in.

For flower centers, cut 5 squares, 1 1/2" x 1 1/2"

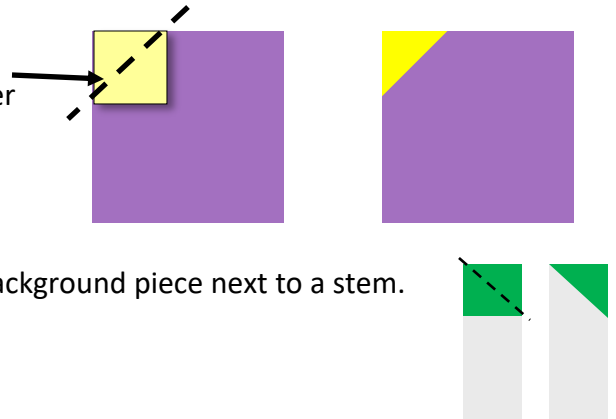

Sew to the corner of a flower square, right sides together

Flip open, press and trim the seam to 1/4"

For the leaves cut 4 squares, 1 1/2" x 1 1/2"

Using the same method as above, sew the leaves to a background piece next to a stem.

Assemble in section and then rows like this:
