WHAT'S INSIDE?	WHAT DOES IT DO?
Rice Bran Oil	Plump fine lines and wrinkles with a generous concentration of fatty acids, antioxidants and vitamins. Your skin will drink this up.
Caprylic/Capric Triglyceride	Derived from coconut oil, this powerhouse trifecta combines caprylic, capric and glycerin to deeply hydrate the skin.
Sunflower Seed Extract	An excellent source of essential fatty acids that will leave your skin soft and supple.
Citrus Peel Oils	Combines grapefruit, mandarin, and orange peel oils to give your skin a powerful boost of vitamins and antioxidants.
Lavender Oil	Not just a favorite because of its classic scent- this oil will boost circulation resulting in toned, firm skin.
Vitamin E	The ultimate protector: This skincare essential aids in healing the skin, boosts UV defense, prevents dryness and works as an antioxidant.
