

BLUEBERRY MILK MOISTURIZER

Delicious, nourishing hydration that leaves you glowing

Ease the appearance of fine lines and fatigue with powerful antioxidants. Aloe, hyaluronic acid and vitamin C repair the skin leaving it revitalized while fresh blueberries work as a natural astringent and tighten the skin.

SKIN TYPE/CONCERN

- Dry/Dehydrated
- Normal
- Combination
- Sensitive/Sensitized
- Dull
- Dark Spots
- Aging
- Preventative Aging
- Sporadic Breakouts

RESULTS

- Epidermis appears enriched and deeply hydrated
- Repairs aging skin
- Complexion appears more radiant, smooth and youthful

HOW TO USE

Apply liberally to cleansed and toned face and neck for repair and hydration.

| WHAT'S INSIDE? | WHAT DOES IT DO? |
|------------------|--|
| Blueberry Juice | Give skin a tall glass of antioxidants that'll leave you fresh-faced. |
| Cogan Grass | Grasses native to Asia and India provide longtime moisturizing benefits. Get 24 hours of moisture without clogging pores. |
| Oligopeptide-51 | Get ready for your close-up, because this peptide lightens and brightens while preventing photo-aging and age spots. |
| Hyaluronic acid | Intense hydration plumps thirsty skin cells by binding water to the skin. Minimized appearance of fine lines and wrinkles thanks to smoothed and plumped skin. |
| Vitamin C (MAP) | This type of vitamin C penetrates deeper into the skin and stays stable longer, ensuring you get a full dose of antioxidants to help minimize signs of aging while promoting brightness. |
| Mulberry Extract | Skin tone appears even with less discoloration thanks to inhibited melanin production. |
| Licorice Root | Skin-soothing anti-inflammatory ingredients even skin tone and heal post-breakout pigmentation spots. |
