WHAT'S INSIDE?	WHAT DOES IT DO?
Jojoba Oil	A rich source of fatty acids that moisturizes while balancing natural oil levels.
Rice Bran Oil	High concentrations of vitamin E and antioxidants nourish and moisturize with quick absorption.
Crambe Seed Oil	This ultra-light moisturizing oil has a strong concentration of omega fatty acids that renew the lipid layers of the skin.
Rosehip Oil	Extracted from seeds of a rose bush in South America, this ancient remedy has anti-inflammatory, anti-bacterial, anti-oxidant, hydrating and tightening properties.
Rosemary Leaf Extract	A powerful antioxidant that provides an anti-inflammatory, anti-microbial and clarifying boost. Hail Rosemary!
Citrus Fruit Oil	Fresh squeezed antioxidants and vitamin C brighten the skin.
