WHAT'S INSIDE?	WHAT DOES IT DO?
Azelaic acid	Battle pore-infecting bacteria with a gentle acid while combating hyperpigmentation with reduced melanin production.
AC NET	Acne-prone skin loves this combination of ingredients that reduces oil production and inflammation, controls bacterial growth and inhibits excessive buildup of skin cells on the surface of the skin.
Hexylresorcinol	Looking for lightening? This is four times more effective than 2% hydroquinone without the side effects, making it super safe for regular use.
Giga White	This blend of 7 Swiss Alpine plant extracts are proven to significantly lighten dark spots, sun damage and hyperpigmentation.
Bakuchiol	Similar to retinols but without the chance of peeling, this plant compound stimulates collagen, rebuilds the skin and controls oil.
Special Delivery Nectar	Let the good stuff sink in! Certain active ingredients are best formulated with powerful delivery systems to accelerate effects. This exclusive technology provides deeper penetration of ingredients, meaning less irritation with superior results.
Hyaluronic Acid	Intense hydration plumps thirsty skin cells by binding water to the skin. Minimized appearance of fine lines and wrinkles thanks to smoothed and plumped skin.
Cucumber	Not just for spa selfies, cucumber rejuvenates, firms and soothes the skin with essential nutrients while banishing puffiness.
Niacinamide	Also known as vitamin B3, this powerful ingredient reduces inflammation and restores the skin's natural barrier to harmful pollutants, making skin look and feel refreshed and revived
