

GRAPEFRUIT POLISHING POWDER

An invigorating exfoliating experience

Polish, smooth and refine your skin with this powerful exfoliating cleanser. Rice bran absorbs oil while lactic and salicylic acids remove dead skin cells—leaving radiant, clear skin.

SKIN TYPE/CONCERN

- Dry/Dehydrated
- Normal
- Combination
- Oily
- Dull
- Dark Spots
- Mature
- Preventative Aging
- Clogged Pores
- Sporadic Breakouts
- Frequent Breakouts
- Severe Breakouts(non inflamed)

RESULTS

- Great at home microderm treatment
- Gently exfoliates so skin is polished and smoothed
- Leaves skin appearing plumped and refined

HOW TO USE

Shake a small amount into wet palms and activate by rubbing hands together to form light suds. Massage into skin, avoiding eye area, and rinse thoroughly. Use daily on face and body alone, or added to your favorite Sorella Apothecary cleanser for added exfoliation.

WHAT'S INSIDE?	WHAT DOES IT DO?
Grapefruit	Take a bite out of brightening with vitamins A, C and B, which prevent signs of aging, too. Lycopene found in the fruit reduces inflammation and the effects of free radicals.
Bamboo	Sensitive skin loves this exfoliant rich in vitamins, proteins, minerals, silica and antioxidants that strengthen skin and help it appear tighter and firmer.
Lactic Acid	Cleopatra's legendary beauty secret was said to be milk baths – and we can see why. AHA naturally found in milk improves skin's texture and tone while keeping it moisturized.
Salicylic Acid	The classic ingredient for clear skin. A dose helps to unclog pores, remove dead skin cells, exfoliate and combat acne-causing bacteria.
Licorice Root Extract	Skin-soothing anti-inflammatory ingredients even skin tone and heal post-breakout pigmentation spots.
Papaya	Enzymes break down and remove dead skin cells, healing and restoring damaged cells.
