- Treats post inflammatory hyperpigmentation
- Dissolves dead skin cells which helps to soften fine lines and wrinkles

HOW TO USE

Apply to wet face and massage for 1-3 minutes, avoiding the eye area. Rinse and follow with your favorite Sorella Apothecary toner. Start with daily usage and reduce if bothersome dryness, irritation or peeling occurs.

WHAT'S INSIDE?	WHAT DOES IT DO?
Willow Bark Extract	A natural BHA exfoliant and pore minimizer that helps shed dead skin cells and gently increases cell turnover.
Bearberry Extract	This natural skin lightener balances and brightens the skin, while providing additional antioxidants.
Mulberry Extract	Skin tone appears even with less discoloration thanks to inhibited melanin production.
Glycerin	Provides long-lasting, intense moisture retention – we're talking weeks, not days.
Peppermint	Wake your skin and senses with increased circulation! Fresh nutrients = fresh face.
Green Tea	Get zen with a potent antioxidant that soothes skin and boasts anti-inflammatory and antibacterial powers.
Vitamin E	The ultimate protector: This skincare essential aids in healing the skin, boosts UV defense, prevents dryness and works as an antioxidant.
