WHAT'S INSIDE?	WHAT DOES IT DO?
Pumpkin Extract	Natural AHA gently exfoliates to remove superficial dead skin cells while minimizing the appearance of pores. Vitamins work to heal skin – easy as pie.
Papaya Extract	Enzymes break down and remove dead skin cells, healing and restoring damaged cells.
Honey	Rich in antioxidants, natural anti-bacterial power and moisture-restoration properties, this is the bee's knees!
Pineapple Extract	Natural fruit enzymes increase cell turnover and brighten the skin.
Glycerin	Provides long-lasting, intense moisture retention – we're talking weeks, not days.
Clove Flower & Cassia Bark	Gentle exfoliation promotes healing.
