WHAT'S INSIDE?	WHAT DOES IT DO?
Peach Pulp	This juicy fruit hydrates and soothes dry skin all while tightening pores and rejuvenating dull skin.
Honey	Rich in antioxidants, natural anti-bacterial power and moisture-restoration properties, this is the bee's knees!
Calendula Extract	Antibacterial and anti-inflammatory properties promote fast healing and regeneration.
Superfruit Blend	A combination of four vitamin and omega rich fruits that exfoliate and renew the skin without over drying while keeping it free of cell damage.
Phospholipids	Enhances delivery of antioxidants while also maximizing their benefits.
Retinyl Palmitate	A gentle, stable form of vitamin A that promotes a clear complexion and an even skin tone.
Vitamin E	The ultimate protector: This skincare essential aids in healing the skin, boosts UV defense, prevents dryness and works as an antioxidant.
