

ROSEHIP WARMING MASK

Rosehip and clay detoxify and minimize pores

Relax as this self-heating mask warms your face while purifying your pores. Rosehip infuses the skin with vitamin C, a powerful antioxidant. At the same time, irritated skin is soothed by natural minerals and botanicals. A perfect remedy for breakout-prone skin, large pores, fine lines, normal & combination skin.

WHAT'S INSIDE?	WHAT DOES IT DO?
Zeolite	Clear, refined pores are revealed thanks to negatively charged minerals that act like a magnet, pulling out skin's toxins and free radicals.
Rosehip Oil	Extracted from seeds of a rose bush in South America, this ancient remedy has anti-inflammatory, anti-bacterial, anti-oxidant, hydrating <i>and</i> tightening properties.
Kaolin and Bentonite Clay	Rich in antioxidants, natural anti-bacterial power and moisture-restoration properties, this is the bee's knees!
Caprylic/Capric Triglyceride	Derived from coconut oil, this is an excellent emollient and skin-replenishing ingredient.
